

PO Information:

Meetings

- **Endocrinology virtual clinical champion meeting is Thursday, November 6th from 6pm-8pm.** There is no registration for this meeting but a calendar invite has been sent to all endocrinology clinical champions and PO Admin Leads/Primary Contacts.
- **Second and final virtual fall regional meeting is taking place on Thursday, November 13th from 6pm-8pm.** If you had clinical champions who missed the first meeting, please have them attend this one.
- **PO Monthly Calls are taking place on November 10th at 11am and November 12th at 2pm.**
- **Learning Community Event: Pregnancy and Type 2 Diabetes** is taking place on Friday, November 14th at 12pm, and will be led by Dr. Jen Wyckoff.

VBR Reports

- **Performance measure reporting will be distributed in November** for the PCP uACR measure, the PCP A1C measure, the nephrology uACR measure, and the endocrinology CGM interpretation measure.
- **We anticipate being able to update the PCP A1C measure with targets in November,** once we receive the updated 90th percentile rates from HEDIS.

Reminders

- **Practice census surveys for PCP practices are due December 1st.** Please support your practices in completing these.
- **Specialists need to log into the patient data dashboards once before the end of the year.** POs should have received an email if their specialists still need to be granted access to the dashboard.
- **Any practice that completes both the physician level and practice level learning community requirements before 1/1/2026 is eligible for 5 extra credit points** on the value based reimbursement scorecard, so please encourage your practices to take advantage of this!
