

# ORKIN® AIRPULSE™ SCENT SERVICES

Introducing AirPulse, New Scent Diffuser!

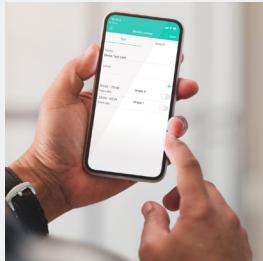

## AirPulse

Total app control! Get absolutely consistent performance and the power of cold mist scent diffusion with sub-micron nano-particles. Ideal for small spaces like restrooms and offices, AirPulse works for every ambient scent application in areas up to 3,500 cubic feet with 100% active fragrance.

Achieve consistent fragrance dispersion throughout the entire chosen cycle using 2 D-size alkaline batteries!
