

8 WAYS TO HAVE A SAFE AND FUN HOLIDAY GATHERING

Whether you're celebrating in person or virtually this year, consider these tips to make your 2020 holiday safe and fun.

VIRTUAL

1

TURK-IFY OR CREATE CUSTOM VIRTUAL HOLIDAY BACKGROUNDS

to make distanced online get-togethers more festive.

3

SEND A VIRTUAL "HOMESTYLE HUG,"

which is a farm-fresh way to send comforting food from Bob Evans Restaurants to those who can't be with you this holiday season.

5

MAIL GIFTS

ahead of time and open them together on the video call!

7

PLAY VIRTUAL GAMES,

like trivia or a scavenger hunt, in between courses to keep remote guests engaged in the fun.

2

SIMPLIFY COOKING

with a holiday meal to go, like a Bob Evans Farmhouse Feast — a fully cooked meal with options for different group sizes.

4

MOVE THE PARTY OUTSIDE

(weather permitting). Keep guests warm with space heaters and blankets.

6

CREATE A PIE DECORATING STATION

with extra pies and festive, colorful toppings.

8

DROP OFF A CARE PACKAGE TO A FRIEND OR NEIGHBOR

who might not be able to dine with others.
