

HOW-TO GUIDE TO GLOBAL CONNECT

We know the power Money20/20 brings in helping our customers grow. That's why we couldn't let 2020 fly by without giving our community a premier networking platform to connect and engage in new virtual ways that can actually deliver impact and leads. Let us introduce you to Global Connect.

YOU DON'T KNOW WHO YOU DON'T KNOW

Yes, Global Connect will allow you to meet thousands of money's decision makers, but if your profile isn't complete, it's a guessing game for everyone. Tell the industry who you are and who you want to meet through your profile.

WE'VE GOT A MATCH

Besides being able to request meetings, you can make the engine smarter by marking people with "interested" or "skip". If someone is also interested in you - bingo. Time to connect and grow your network.

BOOK UNLIMITED VIRTUAL MEETINGS

Get recommendations, search and scroll through the A to Z of Money20/20 insiders to request meetings for times and dates that work for you. It's that simple, but let's not get spammy. There's a hard max of 30 pending meeting requests at one time.

NICE TO MEET YOU

Virtual Meetings can be joined 5 minutes before the scheduled start time. You can enter the meeting from your email or the platform by clicking: Open Virtual Meeting Room (highlight it in the screen shot)

HOW WAS IT FOR YOU?

Give anonymous feedback on your business meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups. This feeds that powerful AI machine and delivers better matches next time.

ACCEPT MEETINGS

Ping! That's the sound of an incoming game-changing meeting request via a notification or in your email. All you have to do is accept and we'll sync it to your personal calendar.
