 - (vi) That it has sufficient right, title and interest in the Building and Lands to grant this License, or alternatively, if the Licenser is not the owner of the Building and Lands, that it has the capacity to enter into this agreement and make the grant referred to in Section 2.

2.

ACCESS

- (a) The Licensee's authorized representatives may have access to the Equipment Room at all times during normal business hours, and at other times as agreed by the parties in advance, for the purposes of installing, maintaining, operating, improving and repairing the Licensee's Equipment. The Licenser will give the Licensee's authorized employees or properly authorized contractors, subcontractors, and agents of the Licensee ingress and egress to the Lands, Building and Communications Spaces including non-exclusive use of an elevator during normal business hours,

and at other times as agreed by the parties in advance. However, only authorized engineers, employees or properly authorized contractors, subcontractors, and agents of the Licensee or of other TSP's, other authorized regulatory inspectors, or persons under their direct supervision and control will be permitted to enter the Building, Communications Spaces, Equipment Room, or other areas in the Building and only upon the conditions set forth in this Agreement. The Licensee shall be fully responsible for the acts or omissions of its employees or other authorized persons invited on its behalf to enter the Communication Spaces, Equipment Room, or other areas in the Building.

- (b) Except in the event of an emergency and as described below, the Licensee will give at least twenty-four (24) hours notice to the Licensor of its intent to enter Communications Spaces. At the time that notice is given, the Licensee shall inform the Licensor of the names of the persons who will be accessing the Communications Spaces, the reasons for entry, and the expected duration of the work to be performed. For routine service activations and repair visits to the Building during normal business hours for which purposes the Licensee requires access without advance notice in order to meet its CRTC-mandated service provisioning and service repair intervals this notice may be given at the time of the entry, to the security person, or other person designated for that purpose by the Licensor. Any person who accesses the Building Communication Spaces must carry proper photo ID and shall comply with any visitor badging program then in operation at the Building. Any person who accesses the Building Communication Spaces, or any other part of the Building which the Licensor designates outside of normal business hours, may be required by the Licensor to be accompanied by a representative of the Licensor designated for that purpose and the cost of providing this form of accompaniment or supervision will be paid by the Licensee to the Licensor based on hourly wage and employment cost (overtime or callout rates may apply) plus an administration fee of fifteen percent (15%). This escort fee shall not apply if it is recovered from tenants through the operating costs of the Building charged to them under their leases. In the event of any emergency, the Licensee shall give to the Licensor as much advance notice as reasonably possible of its intent to enter the Communications Spaces and, within five (5) Business Days following the entry, shall provide to the Licensor a written report detailing the nature of such emergency, the corrective actions taken, and any other relevant information.
- (c) Nothing in this Agreement shall prohibit or otherwise restrict the Licensor and its representatives from having access to and to enter upon and into the Equipment Room or any Deemed Area for the purpose of inspections, conducting maintenance, repairs and alterations which the Licensor wishes to make in connection with the Building, or to perform any acts related to the safety, protection, preservation, or improvement of the Equipment Room, Deemed Area, or the Building or for such other purposes as the Licensor considers necessary. The Licensor will, however, except in case of an emergency, give the Licensee at least twenty-four (24) hours advance notice before entry into the Deemed Area and will be accompanied by a representative of the Licensee if the Licensee makes a representative available for that purpose within twenty four (24) hours of the Licensee's receipt of the Licensor's notice. In the event of a real or potential emergency, and unless the nature of the emergency renders such advance notice impracticable, the Licensor shall give to the Licensee as much advance notice as reasonably possible of its intent to enter the Deemed Area and, within fifteen (15) Business Days following the entry, if the emergency was Licensee equipment related, shall provide to the Licensee, upon written request, a written report detailing the nature of such emergency, the corrective actions taken, and any other relevant information.

10. INSURANCE

- (a) The Licensee shall maintain in force, at its expense, during the Term of this Agreement and any Renewal Term, a policy of Commercial General Liability Insurance issued by an insurer acceptable to the Licensor, acting reasonably, insuring the Licensee and, as additional insureds, the Licensor, any property manager or any lender that holds security on the Building that the Licensor may reasonably designate by written notice, only in respect of matters related to the operations of the Licensee in the Building, with a combined single limit of Ten Million Dollars (\$10,000,000.00) per occurrence for bodily injury or death or physical damage to tangible property including loss of use, physical damage to the Building and tangible property of the Licensor in the Building or bodily injury or death of the Licensor's employees, or bodily injury or death or physical damage to tangible property suffered by any of the tenants or occupants of the Building and their employees, and/or

the customers of the Licensee and their employees in the Building. The Licensee's liability insurance may be composed of any combination of a primary policy and an excess liability or "umbrella" insurance policies, will contain owners' and contractors' protective coverage, standard non-owned automobile coverage, contingent employer's liability insurance, tenant's liability, a cross liability and severability of interests clause, and be written on an occurrence basis.

- (b) The Licensee will also maintain (i) an automobile liability insurance policy, and (ii) all risk property insurance on the Licensee's Equipment with a sufficient insured limit to cover its replacement costs or, alternatively, the Licensee may self insure for the full replacement cost of the Licensee's Equipment.
- (c) The Licensee's Commercial General Liability insurance shall be primary insurance insofar as the Licensor and the Licensee are concerned, with any other insurance maintained by the Licensor being excess and non-contributing with the insurance of the Licensee required hereunder with respect to the extent of the negligence of Licensee and those over whom it is responsible in law.
- (d) The Licensee shall provide proof of such insurance to the Licensor prior to commencement of any construction and notify the Licensor, in writing, that a policy is cancelled or materially changed to the detriment of the Licensor at least thirty (30) days prior to such cancellation or material changes. Annually, on the anniversary of the Commencement Date, or upon renewal of the respective policies as the case may be, the Licensee shall provide proof of such insurance in the form of insurance certificates signed by the Licensee's insurance brokers or its insurers' authorized representatives and in form, content, and detail consistent with the standard developed by ACORD (Association of Cooperative Operations, Research and Development) to the Licensor, acting reasonably.
- (e) The Licensor will maintain all risk property insurance on the Building.

11. RELEASE BY LICENSEE

In no event will the Licensor be liable to the Licensee and the Licensee releases the Licensor for:

- (a) any damage to the Licensee's Equipment, Equipment Room, and Deemed Area or loss of use of such property unless the same results from the negligent, grossly negligent or wrongful wilful acts or omissions of the Licensor;
- (b) the quality, adequacy, compatibility or sufficiency of any Building Communication Spaces provided to the Licensee hereunder, it being acknowledged by the Licensee that all Building Communication Spaces are provided "as is" and "where is", the use of which is at the sole risk of the Licensee;
- (c) the activities of any third party, under the terms of another telecommunications access license or similar agreement, whether or not the party has been escorted while in the Building;
- (d) any claims resulting from the lightning or other electrical current passing through the Building or facilities that cause any damage to the Licensee's Equipment or result in the interruption of any service by the Licensee; or
- (e) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Licensor to provide reasonable prior written notice in accordance with Section 6, provided that the foregoing shall not release the Licensor from liability for damage to the Licensee's Equipment where the same results from the negligent, grossly negligent or wrongful wilful acts or omissions of the Licensor with respect to adequacy of any utility service, loss or failure to provide any utility service or failure of the Licensor to provide reasonable prior written notice in accordance with Section 6. Notwithstanding the foregoing, the Licensee acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Licensee further acknowledges that it may (but is not obligated to) ensure that any sensitive Equipment in and on the Building is protected from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems and that the Licensor does not have any obligations in that regard; or

12. LIENS

The Licensee shall be responsible for the satisfaction or payment of any liens for any provider of work, labour, material or services claiming by, through or under the Licensee. The Licensee shall also indemnify, hold harmless and defend the Licensor against any such liens, including the reasonable fees of the Licensor's solicitors. The provisions of this Section shall survive termination of this Agreement. All such liens shall be removed within five (5) Business Days of notice to the Licensee to do so. The Licensor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay the cost to the Licensor including the amount paid into Court plus an administration fee equal to fifteen percent (15%) of the amount.

13. CONSEQUENTIAL DAMAGES

- (a) Neither the Licensor nor the Licensee will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages.
- (b) For the purpose of every release, exculpatory, or indemnity clause benefiting Licensor, "Licensor" is deemed to include in addition to Owner, any beneficial owner, shareholder of the Owner or beneficial Owner, every property management company, or asset manager, employed by Owner (it being noted that on the date of this License, GWL realty Advisors Inc. is so employed), every affiliate of each of those entities, and their respective officers, directors, employees, agents and contractors, and Owner, solely for this purpose acts as agent for all of them for the purpose of enabling them to enforce the benefit of each such release, exculpatory or indemnity clause, provided in doing so Owner will not be required to act contrary to its own interest.

14. ASSUMPTION OF RESPONSIBILITY AND CONTROL

The Licensor reserves its right, consistent with the applicable decisions and rulings of the CRTC, to request the Licensee to transfer responsibility and control of its In-Building Wire. Such transfer shall be at the sole discretion of the Licensee and on terms and conditions acceptable to the Licensee. If the Licensor assumes responsibility and control of in-building wire installed by the Licensee, it will be entitled to recover the reasonable costs of its maintenance and management to the extent permitted by the CRTC.

15. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of the Licensee, an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.
- (b) Subject to Section 18(b), no assignment whether to an Affiliate or otherwise, shall release the Licensee from any liability or obligation under this Agreement, unless the Licensor provides a release in writing.
- (c) Except as required or mandated by the CRTC or as provided for in this Agreement, the Licensee will not sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider and will not mortgage or encumber its rights under this Agreement in favour of any Lender without the Licensor's consent.

- (d) Notwithstanding any other provision of this Agreement, the Licensee will be permitted to assign its rights under this Agreement to a bona fide 3rd party lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 15.

16. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance into or on the Building except telecommunications equipment batteries, in a manner and in quantities as necessary for the ordinary performance of Licensee's business in the Building, and provided that any such use is in compliance with all applicable laws. The Licensee shall indemnify and hold the Released Licensor Persons and any party the Licensor is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Building by the Licensee, including any and all costs incurred in remedying such breach, such indemnity to survive the expiration or earlier termination of this Agreement.

17. EVENTS OF DEFAULT - TERMINATION REMEDIES

- (a) Each of the following events shall be deemed to be an Event of Default by the Licensee under this Agreement:
- (i) the Licensee defaulting in the payment of any License Fee, amount, or portion thereof, or other sum of money due to the Licensor and such default continues for more than ten (10) Business Days, after written notification of such default by the Licensor to the Licensee;
 - (ii) there is interference with the telecommunications or computer, trade, scientific, or medical equipment of the Licensor, any tenant, or any other occupant of the Building or any other telecommunications or computer devices provided in the Building by reason of, or as a result of, the installation, operation, maintenance, repair, or removal of the Licensee's Equipment, which interference is not cured within forty-eight (48) hours of the Licensee's receipt of written notice by the Licensor of such interference;
 - (iii) the revocation of the Licensee's permission to provide regulated or non-regulated telecommunications services by any governing entity authorized to permit or regulate the Licensee's providing of such services;
 - (iv) the Licensee's becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Licensee; or an assignment for the benefit of creditors; or a petition or proceeding by or against the Licensee for the appointment of a trustee, receiver or liquidator of the Licensee or of any of the Licensee's property or a proceeding by any governmental authority for the dissolution or liquidation of the Licensee;
 - (v) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Licensee under any loan or debt obligation;
 - (vi) the ceasing of the Licensee to carry on business in the ordinary course; or
 - (vii) if the Licensee shall default in the observance or performance of any of the Licensee's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensor to the Licensee, or where it is not reasonably possible to cure such default within ten (10) Business Days, the Licensee has not commenced reasonable steps to cure such default within the ten (10) Business Days and proceed with such actions in a diligent manner, provided that in any case such default must be cured within thirty (30) Business days.
- (b) Upon or after the occurrence of an Event of Default the Licensor may elect to terminate this Agreement without limiting its other remedies, by providing written notice of termination to the Licensee, which termination shall be effective as of the date specified in the notice of termination.

- (c) If the Licensor shall default in the observance or performance of any of the Licensor's obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensee to the Licensor, or where it is not reasonably possible to cure such default within ten (10) Business Days, the Licensor has not commenced reasonable steps to cure such default within the ten (10) Business Days and proceed with such actions in a diligent manner, the Licensee may terminate this Agreement without limiting its other remedies by providing written notice of termination to the Licensor, which termination shall be effective as of the date specified in the notice of termination. In the event of termination pursuant to this Section 18(c) or Section 24, the Licensor shall, after the effective date of termination, refund to the Licensee, provided the Licensee is not in Default, Licensee Fees or other Fees paid in respect of the time period subsequent to the effective date of termination.

18.

RESTORATION OBLIGATIONS

- (a) At the expiration or earlier termination of this Agreement the Licensee shall, at the Licensee's sole cost and expense, without permitting the registration of any liens against title to the Lands, the Building or any other property of the Licensor remove the Entrance Cable, and all other items of the Licensee's Equipment except any part of it that by agreement between the Licensee and the Licensor has been acquired by the Licensor, and all of the Licensee's personal property from the Building. This obligation to remove the Entrance Cable and all other items of the Licensee's Equipment shall be subject to any CRTC-mandated obligations upon the Licensee to provide services to other TSP's. If any property that is required to be removed is not so removed within twenty (20) Business Days after the termination, the property may, at the Licensor's sole option, (i) be removed, or removed and stored by the Licensor at the Licensee's expense (and the Licensee will pay an administration fee equal to fifteen percent (15%) of the expense), or (ii) after twenty (20) business days written notice to the Licensee, become the property of the Licensor without compensation to the Licensee. As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or arise by reason of the Licensee's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Licensee's Equipment. If the Licensee fails to repair or refinish any such damage, the Licensor may, in its sole discretion, repair or refinish such damage and the Licensee shall reimburse the Licensor of all costs and expenses reasonably incurred in such repair or refinishing and will pay to the Licensor an administration fee equal to fifteen percent (15%) of the cost. The Licensee will provide to the Licensor upon completion of the removal of the Licensee's Equipment an engineer's report confirming completion of the removal in accordance with this Agreement.
- (b) If due to CRTC mandated obligations upon the Licensee to provide services to other TSPs, the Licensee is not required by Section 18(a) to remove the Entrance Cable or other items of the Licensee's Equipment ("Exempted Items") then despite the expiration or termination of the Term of this License, all of the obligations of the Licensee under this Agreement will continue in full force and effect in respect of the Exempted Items except that the obligation to pay the Licensee Fee will be suspended so long as the Licensee does not provide Services or charge fees for the use of Exempted Items. That situation will continue (subject to the sentence following this one) until the Licensee's CRTC mandated obligations end and the Licensee removes the Exempted Items and restores damage as provided in Section 18(a). Notwithstanding the foregoing, so long as, and to the extent a third party assumes ownership, responsibility and control of the Exempted Items, and the third party is bound by a telecommunications access agreement with the Licensor, or a successor of the Licensor, the Licensee will be exempted from all of its obligations, liabilities and responsibilities under this Agreement in respect of the Exempted Items including (but not limited to) the obligation to remove the Exempted Items ", but such release shall only apply to the extent that the Licensee's obligations in respect of the Exempted Items have been assumed by and are enforceable against such third party by the Licensor".

19. LICENSOR'S ALTERATIONS

Despite anything else in this Agreement (but subject to Section 2(c)), the Licensor may, at any time if it acts in good faith, and makes commercially reasonable efforts not to disrupt the Licensee's operations in the Building, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building, may close all or any part of the Building to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and the Licensor may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Licensee) which serve any part of the Building. No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

20. NOTICES

Any demand, notice or other communication to be made or given in connection with this Agreement shall be in writing and shall be deemed received by the recipient on the date of delivery, provided that delivery is made before 5:00 p.m. on a Business Day, failing which receipt shall be deemed to have occurred the next following Business Day. Until notified of a different address, as provided herein, all notices shall be addressed to the parties as stipulated on the Information Page. Notices given by electronic means will not be considered to have been given in writing.

21. LICENSEE'S EQUIPMENT TO REMAIN PERSONAL PROPERTY

Except as otherwise provided in this Agreement, the Licensee's Equipment, Entrance Cable and In-Building Wire shall remain personal property of the Licensee although it may be affixed or attached to the Building, and shall, during the Term of this Agreement, or any Renewal Term, belong to and be removable by the Licensee. Notwithstanding the foregoing, upon expiration of this Agreement, the ownership of the In-Building Wire shall, if both parties mutually agree, vest in the Licensor, in which case the In-Building Wire shall remain in place. In all other cases, the In-Building Wire shall be removed by the Licensee at the Licensee's cost and expense.

22. LICENSE ONLY

This Agreement creates a non-exclusive license only and the Licensee acknowledges that the Licensee does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Communications Spaces, or Equipment Room by virtue of this Agreement or the Licensee's use of the Building, Communications Spaces or Equipment Room. The relationship between the Licensor and the Licensee shall not be deemed to be a "landlord-tenant" relationship and the Licensee shall not be entitled to avail itself of any rights afforded to tenants at law.

23. LIMITATION OF LIABILITY

The obligations of the Licensor under this Agreement shall no longer be binding upon the Licensor if the Licensor sells, assigns or otherwise transfers its interest in the Building as owner or lessor (or upon any subsequent licensor or owner after the sale, assignment or transfer by such subsequent licensor). If there is such a sale, assignment or transfer, the Licensor's obligations shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee, assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

24. SPECIFIC TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days' prior written notice to the other party:

- (a) where the Building has been destroyed, or damaged to such an extent that it is not feasible to repair it within a period of one hundred and eighty (180) days after the damage;
- (b) where the Deemed Area or the Communications Spaces become damaged and, it is not feasible to restore them within ninety (90) days after the damage;
- (c) where the Building is expropriated by a lawful authority;

- (d) where the Licensor wishes to redevelop, or otherwise alter the Building in such a manner as to, in the Licensor's sole opinion, make the relocation of any part of the Deemed Area or the Licensee's Equipment not feasible;
- (e) the Licensee no longer provides Licensee's Services in the Building;
- (f) the Licensee is unable to secure, on terms and conditions reasonably satisfactory to it, all necessary consents, approvals, permits and authorizations of any federal, municipal or other governmental authority having jurisdiction over the provisioning of Licensee Services or any other matters required by the Licensee to provide Licensee Services; or
- (g) the Building is no longer a "Multi-Dwelling Unit Building" as defined by the CRTC, provided however that in such event the Licensor may, at its option, elect to have this Agreement continue, in which case no Fee or Recoverable Costs shall be payable by the Licensee hereunder during such time that the Building is not a Multi-Dwelling Unit Building, but all other terms and provisions hereof shall continue to apply; or
- (h) the Licensor, acting bona fide and in good faith, elects to demolish the Building.

25. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within ten (10) Business Days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing confirming, the Fees payable and the Fees actually paid to any date specified by the Licensor for the statement confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled, and any other information that the Licensor reasonably requests pertaining to this Agreement or Building.

28. ENTIRE AGREEMENT

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

29. LICENSEE'S REPRESENTATION

The Licensee represents to the Licensor and acknowledges that the Licensor relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the network to which the Licensee's Equipment is or may be connected includes or will include upon connection, redundant and back-up features so that the risk of damage, malfunction or disruption of the Licensee's Equipment disrupting service to customers or other third parties utilizing that network (except for telecommunication services between (i) the customers of the Licensee or the customers of telecommunication service providers that lease local loops from the Licensee to serve customers within the Building and (ii) persons communicating with those customers) is minimized.

30. FORCE MAJEURE

Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall include, but is not limited to: any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances,

civil commotion or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause or event beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

31. IMPLIED WAIVERS

A waiver by the Licensor or the Licensee of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the party purporting to provide such waiver, and then only to the extent provided for in the written waiver.

32. SEVERABILITY

If any provision of this Agreement or any part of a provision is found to be illegal or unenforceable then it will be severed from the rest of this Agreement and the rest of this Agreement will be enforceable, accordingly, except where the severance of such provision or part thereof shall result in the purpose and intent of the Agreement being frustrated or materially or adversely different from that of the Agreement prior to such severance. In the latter instances, either party may terminate this Agreement upon providing a minimum of thirty (30) days prior written notice to the other party.

33. GOVERNING LAW

This Agreement will be governed by the laws of the province in which the Building is situated and all Federal laws applicable therein and the parties attorn to the exclusive jurisdiction of the courts of such province.

34. LANGUAGE

The parties hereto have required that this Agreement and all notices, deeds, documents and other instruments to be given pursuant hereto be drawn in the English language only. Les parties ont exigé que la present entente ainsi que tous les avis et autres documents à être donnés ou exécutés en vertu des présentes soient rédigés en langue anglaise seulement.

35. COUNTERPARTS

This Agreement may be executed in counterparts and by way of an electronic signature application such as, without limitation, DocuSign, and when so executed by all parties shall be of the same force and effect as if all parties had executed one and the same document and treated, for purposes of validity, enforceability, and admissibility, the same as hand-written signatures. Transmission of executed copies of this Agreement, whether or not in counterpart, by email or electronic delivery shall be deemed to have the same effect as delivery of an original executed copy to the party receiving the email transmission or the electronic copy. While ink-signed originals may be circulated at any time, neither the circulation of such ink-signed originals nor the execution thereof shall derogate from the binding effect of the signatures delivered electronically pursuant to this Section.
