

Just for KIDS

What's that say? This word scramble makes learning fun by helping kids remember the three most important steps to a healthy mouth.

1. nsrie

___ ___ ___ ___ ___ with fluoride to help prevent cavities, strengthen teeth, and remove particles brushing may miss.

2. hurbs

___ ___ ___ ___ ___ with a kid-sized toothbrush.

3. sflos

___ ___ ___ ___ ___ to reach in between teeth where the toothbrush can't.

Some kids don't brush or rinse as long or as often as they should. Encourage them to stick with it by singing this song and asking them to sing along in their head. Sing it twice to get a super-clean mouth.

This is the Way We Brush Our Teeth

(to the tune of *Here We Go Round the Mulberry Bush*)

**This is the way I brush my teeth,
brush my teeth, brush my teeth.**

**This is the way I brush my teeth
for a lifetime full of smiles.**

**I brush them up and brush them down,
in little circles round and round,
Then floss and rinse to make them shine
and keep them feeling fine!**
