

Save more, spend less with Fee Assist

Stay in control with smart, compliant surcharging

Running a business comes with many hidden costs. Surcharging helps you reduce payment expenses and keep more of your revenue.

With Fee Assist, credit card processing fees are passed directly to your customers. There's no monthly fee, and our volume-based pricing makes it easy to start saving from day one.

Take control of your cash flow and start lowering your overhead today.

How Fee Assist benefits your business

1 Minimize costs, maximize profits

Reduce payment-related costs by passing credit card processing fees to your customers. Fee Assist helps you maintain competitive pricing while protecting your margins. Offer preferred rates for cost-effective payment methods and keep your cash flow under control effortlessly.

2 Fully integrated, zero hassle

At checkout, surcharges are automatically calculated and displayed to customers, ensuring transparency and compliance. Everything is streamlined — no extra work for you.

3 No fees, no commitments

Fee Assist has no upfront costs or monthly fees. You only pay when you save. The surcharging amount is calculated automatically, with no need for manual reconciliation. Plus, you can add or remove the program anytime to fit your business needs.
