

TRICK OR TREAT

READY-TO-EAT

Halloween

PARTY SPREAD

Slider Reheating Instructions

Preheat oven to 350°F. Line two sheet pans with foil. Remove sliders from tray and place on sheet pans. Cover with foil, place BBQ sliders in oven and heat for 15 minutes. Add sheet pan with turkey sliders to oven and heat for 10 minutes. Remove sliders from oven and remove foil. Cut into individual sliders and serve immediately.
