# Pediatric Resources

Helpful tools and materials for healthcare providers and parents.

## PooPee Analyzer

Give parents a better understanding of what to look for in their baby's diaper. The PooPee Analyzer is a free and easy-to-use tool that offers professional insights on what their baby's poo is telling them. All parents have to do is upload a photo, answer a few questions and they will receive an analysis from pediatricians.

## Pediatric Tear Pad

Free to your Pediatrics Office, these tear pads provide helpful guidance through every step of the parenting journey. From first-year milestone trackers to potty-training and bedwetting tips, the Pediatric Tear Pad offers a range of resources that covers the child's growth and development.

Available in 50-count tear pads.

## Safe Sleep Coach App

Equip parents with the best tools and techniques to establish healthy infant sleep habits from day one. The Smart Sleep Coach App can create a custom sleep plan to support and improve the sleep of their baby.

Your patients can download the Pampers Rewards app and get access to Pampers cash,\* rewards, parenting tips and much more!
