Create Your Own Origami Duck

1. Fold in half to make a crease and fold back
2. Fold in to the center along the dotted line
3. Fold back along the dotted line
4. Create a step fold on the rear
5. Fold in half forwards
6. Fold twice to make creases along the dotted lines and fold back
7. Open and lay flat
8. Step fold along the creases created earlier (dotted lines)
9. Fold in half backwards
10. Fold twice to make creases along dotted lines and fold back
11. Step fold internally
12. Add some ‘googly’ eyes and admire your work
