

Kruger Animal Hospital is seeking certified veterinary technicians as well as veterinary assistants. Our focus is professionalism, being friendly and helpful while catering to our patient's and client's needs.

Job Duties:

Assistants and technicians will work closely with veterinarians and other teammates and will be utilized to the fullest extent. Candidates must have a strong knowledge base of animal restraint and disease processes, clinical skills, diagnostic procedures, surgery, dentistry, radiology, anesthesia, nursing care, record keeping and updating. Candidates must pay close attention to detail, maintain an impeccably clean facility, follow instructions, and possess excellent verbal and written communication skills; both among staff members, clients and veterinarians. Candidates must also be independent workers, self-starters, able to effectively utilize down-time and multi-task

Qualifications:

- Previous experience in animal care is required
- Certification is preferred but not required.
- Ability to interact with animals in a calm, non-threatening manner
- Ability to thrive in a fast-paced environment

Schedule is full time, 34-40 hours a week. Weekdays and weekends are required. You must have reliable transportation and live within the surrounding area.
