Payment in Full of \$693.00

Payment in full is accepted in the form of cash, check, debit card, or credit card (Visa, MasterCard, Discover or American Express). Payment via Care Credit is accepted for Kitten Packages, however an additional fee of \$70 will be assessed.

Three Monthly Installments of \$231.00

The purchase may be divided into three (3) separate consecutive monthly installments; however, a onetime \$25 service fee will be assessed and is due with the first monthly payment. Remaining payments must be scheduled and billed directly to a credit or debit card (Visa, MasterCard, Discover or American Express) via a stored card number. Payment via Care Credit is accepted for Kitten Packages, however an additional fee of \$70 will be assessed with the first month's payment.

KITTEN PACKAGE TERMS AND CONDITIONS

1. Non-wellness exams, diagnostics, treatments, and medications required due to illness, injury, or hereditary problems are not included in the Kitten Package and must be paid for in full at the time of service.
2. Visits must be scheduled 3 to 4 weeks apart to maintain the proper vaccination schedule. If additional vaccinations and exams are required due to un-scheduled or un-kept appointments, there will be an additional charge as these additional vaccines and exams are not included in the Kitten Package.
3. The spay surgery must be performed between 5 and 12 months of age. Also, due to increased anesthesia and surgery time, there will be an additional fee of up to \$103 charged for patients that are pregnancy at the time of the spay surgery. *(Fees listed are an estimation of cost and are subject to change.)*
4. The following procedures are not included in the Kitten Package, but can be performed while the pet is under general anesthetic for the spay procedure. All fees incurred for these additional services must be paid in full prior to the patient being discharged from the hospital. *(Fees listed below are an estimation of cost and are subject to change.)*
 - microchipping with registration - additional fee of \$72
 - declawing (front feet only) - additional fee of \$417
 - tendonectomy (front feet only) - additional fee of \$312
5. All vaccinations and well kitten exams included in the Kitten Package are for use in the initial kitten series only and cannot be used for 1 year adult boosters.
6. The Kitten Package and all of the included services will expire one year from the date of purchase as listed on page one of the agreement.
7. If you choose to cancel the package for any reason, the package services that have been utilized will be assessed at full price and then deducted from the amount paid toward the package.
8. Kitten Packages are only valid at Eagle Animal Clinic and for the pet in which it was purchased. Unused services cannot be transferred to another pet and will only be honored for the pet listed on the agreement. However, services are transferrable with the kitten (if you re-home the kitten, with your consent, the remaining package services will be transferred to the new owner).
9. Kitten Packages and included services are not eligible for additional discounting and cannot be combined with other special offers and promotions.
