

Lenoir Veterinary Hospital is now offering for your convenience:

**Drop Off Appointments on
Mondays, Tuesdays & Wednesdays
for annual wellness exams & preventative care.**

**By appointment only, drop your pet off for routine examinations,
vaccinations, and other preventative services.**

Everyone leads busy lives. Are you having trouble making time to visit your veterinarian? We are pleased to offer our clients by appointment a drop-off service for annual visits and vaccines. Here's how it works...

- Call us in advance to schedule your drop off appointment. Our friendly staff will be happy to speak with you and answer any questions you might have.
- Drop your pet off before 10am **at our boarding facility**. (Not the hospital.) We'll take care of your pet like it was our own for the day! When you arrive, one of our staff will greet you and assist in completing a checklist of the services needed for your pet.
- Upon completion of your pet's physical exam and services, you may request a phone call from a medical staff member or a written exam report.
- It is essential that we be able to reach you by phone during the day.
- Your pet will be ready for pick-up between 2pm and 5pm.

Call us today to schedule your appointment.
