WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if *we* accept *your* request for insurance and send *you* an official confirmation of that. *Your policy's* coverage effective date and coverage end date are indicated in *your* certificate of insurance. The *policy* is effective on the day *we* receive the order and *you* pay the full premium. The order must be received and the full premium must be paid on or before the *departure date*.

Coverage is only provided for losses that occur while *your policy* is in effect.

The *departure date* and *return date* that *you* provided at time of purchase are counted as two separate days of travel when *we* calculate the duration of *your trip*.

Your policy ends on the coverage end date listed in *your* insurance confirmation.

Additionally, your policy will end on the earliest of:

1. At 23:59 on the day you cancel your policy;
3. At 23:59 on the day you end your trip, if you end your trip early;
4. At 23:59 on the day you arrive at a medical facility for further care if you end your trip due to a medical reason; or
5. At 23:59 on the 45th day of the trip.

However, if *your* return travel is delayed due to a reason covered under this *policy*, *we* will extend *your* coverage period until the earlier of when *you* are able to return to *your* point of origin or *primary residence*, or until *you* arrive at a medical facility for further care following a medical repatriation or *trip* interruption.

Please note that this *policy* applies for a specific *trip* and cannot be renewed.

DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages which are included in *your policy*. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. **Please note that exclusions may apply.**

A. EMERGENCY MEDICAL/DENTAL ABROAD

If you receive emergency medical or dental care while you are on your trip abroad for one of the following covered reasons, we will reimburse the *reasonable and customary costs* of that care for which you are responsible, up to the maximum benefit listed for emergency medical/dental coverage in your Coverage Summary (dental care is subject to the maximum sublimit listed for dental care):

2. While on your trip abroad, you have a dental *injury* or infection, a lost filling, or a broken tooth that requires treatment.

If you need to be admitted to a *hospital* as an inpatient, we may be able to guarantee or advance payments, where accepted, up to the limit of your emergency medical/dental coverage.

IMPORTANT:

- Please note that this is secondary coverage. If you have health insurance, you must submit your claim to that provider first. If you do not have health insurance or it is known that your health insurance does not provide coverage in the geographical area where your medical emergency is treated, please submit your claim directly to us. Any payment you receive from any other insurance provider or any other entity will be deducted from your claim.
- We will continue to cover these costs where *medically necessary* for a maximum of 120 days following the onset of an illness or 3 years following an *accident*. We will only cover costs directly related to your illness or *injury* sustained during your trip where the first medical consultation occurs during the trip or within 7 days of your return to Finland.

The following conditions and exclusions apply:

- a. The care must be *medically necessary* to treat an emergency condition, and such care must be provided by a *doctor*, dentist, *hospital*, or other provider authorized to practice medicine or dentistry.
- b. This coverage will not pay for any care provided after your coverage ends.

3. *We* will arrange and pay for a *medical escort* if *we* determine one is necessary.

The following conditions apply to items 1, 2 and 3 above:

- a. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements. *We* will not assume any responsibility for any transportation arrangements that *we* did not authorize or arrange,
- b. All decisions about *your* evacuation must be made by medical professionals licensed in the countries where they practice,
- c. *You* must comply with the decisions made by *our* assistance and medical teams. If *you* do not comply, *you* effectively relieve *us* from any responsibility and liability for the consequences of *your* decisions, and *we* reserve the right to not provide coverage,
- d. One or more emergency transportation providers must be willing and able to transport *you* from *your* current location to the identified *hospital* or facility.

Medical Repatriation (Getting *you* home after *you* receive care)

If *you* become seriously ill or *injured* or develop a medical condition (including being diagnosed with an *epidemic* or *pandemic* disease such as COVID-19) while on *your trip* which entirely prevents *you* from continuing *your* travel, or causes *you* to miss your scheduled departure to *your home country* and *our* medical team subsequently confirms with the treating *doctor* that *you* are medically stable to travel, *we* will:

1. Arrange and pay for *you* to be transported via regularly scheduled service on a common carrier in the same class of service that *you* originally booked, unless a different class of service is otherwise *medically necessary*, for the return leg of *your trip*, less available *refunds* for unused tickets. The transportation will be to one of the following:
 - a. *Your primary residence*,
 - b. A location of *your* choice in *your* country of residence, or
 - c. A medical facility near *your primary residence* or in a location of *your* choice in *your* country of residence. In either case, the medical facility must be willing and able to accept *you* as a patient and must be approved by *our* medical team as medically appropriate for *your* continued care.
2. Arrange and pay for a *medical escort* if *our* medical team determines that one is necessary.

The following conditions apply:

- a. Special accommodations must be *medically necessary* for *your* transportation (for example, if more than one seat is *medically necessary* for *you* to travel).
- b. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements. *We* will not assume any responsibility for any transportation arrangements that *we* did not authorize or arrange,
- c. All decisions about *your* repatriation must be made by medical professionals licensed in the countries where they practice,
- d. *You* must comply with the decisions made by *our* assistance and medical teams. If *you* do not comply, *you* effectively relieve *us* from any responsibility and liability for the consequences of *your* decisions, and *we* reserve the right to not provide coverage,
- e. One or more emergency transportation providers must be willing and able to transport *you* from *your* current location to the identified *hospital* or facility.

GENERAL PROVISIONS AND CONDITIONS

You are the policy holder if *you* concluded the insurance contract with *us*. *You* are required to pay *us* the insurance premium. *You* are obliged to provide the other co-insured persons with these Terms and Conditions of Insurance and the Data Protection Policy. As policyholder *you* can be an insured person at the same time.

As an insured person, *you* benefit from the insurance cover. *You* are named in the proof of insurance, or *you* belong to the group of persons described therein.

Your insured travel is protected by insurance cover within the agreed area of application.

When do *you* have to pay the insurance premium?

The premium is due immediately after conclusion of the insurance contract and is payable upon delivery of the insurance *policy*. If the insured event occurs, *we* will only be obliged to provide indemnity if the premium has been paid, or if *you*, as the policy-holder, are not at fault for the non-payment of the premium. *You* are required to prove this to *us*.

What are *your* obligations in the event of a claim (general obligations)?

You are required to minimise the loss or damage to the extent possible and avoid unnecessary costs.

You are obliged to notify *us* immediately and describe the insured event (e. g. event and extent). In doing so, *you* must truthfully provide *us* with all information necessary to clarify the facts, and enable *us* to verify the cause and amount of the claim made. *You* must provide proof of the damage in the form of original invoices and documents.

To enable *us* to assess *our* obligation to indemnify and the scope of indemnity to be provided, *you* must also release *your* doctor from their non-disclosure obligations to the extent that is necessary. If *you* do not issue the release from the duty of confidentiality and have not enabled *us* to perform verification by other means, *we* are not obligated to provide insurance benefits.

Consequences of a breach of obligation: What happens if *you* breach an obligation?

If *you* intentionally breach an obligation, *we* shall be entitled to refuse the insurance benefit. If *you* breach an obligation through *your* gross negligence, *we* may reduce the indemnity to an extent commensurate to the severity of *your* fault. *You* must prove that *you* have not acted in gross negligence.

If *you* prove that the breach of duty did not affect the determination or the scope of *our* indemnity obligation, *we* will be obliged to provide *you* insurance benefits. This does not apply if *you* have acted deceitfully.

What is the limitation period for *your* claim to benefits under the insurance contract?

Your claim to insurance benefit shall lapse after three years. The limitation period begins at the end of the year in which the claim was made and *you* had knowledge of the circumstances justifying the claim, or should have had knowledge of such circumstances without gross negligence.

When will *we* pay the compensation?

We will pay the compensation within two weeks of conclusively verifying *your* claim. The payment will always be made by bank transfer to an account held at a bank

What applies if *you* have claims for compensation against third parties?

If *you* have claims against third parties as a result of the loss event, these shall be transferred to *us*. This applies up to the amount of the payment that *you* have received from *us*, provided *you* are not placed at disadvantage as a result. *Your* entitlements to benefits from other private insurance contracts shall take precedence over *our* obligation to indemnify. *We* will extend preliminary indemnity in the event that *you* make *your* claim against *us* first.

The following condition applies:

- a. If *your* claims against third parties have been transferred to *us*, *you* must confirm this to *us* in written form by request.

In what form must declarations and notifications be issued, and who is entitled to receive them?

You and *we* must submit notifications and declarations of intent in text form (e. g. letter, fax, e-mail).

Insurance agents are not authorized to accept notifications or declarations of intent regarding a claim.
