WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if *we* accept *your* request for insurance and send *you* an official confirmation of that. *Your policy's* coverage effective date and coverage end date are indicated in *your* certificate of insurance. The *policy* is effective on the day *we* receive the order and *you* pay the full premium. The order must be received and the full premium must be paid on or before the *departure date*.

Coverage is only provided for losses that occur while *your policy* is in effect.

The *departure date* and *return date* that *you* provided at time of purchase are counted as two separate days of travel when *we* calculate the duration of *your trip*.

Your policy ends on the coverage end date listed in *your* insurance confirmation.

Additionally, your policy will end on the earliest of:

1. At 23:59 on the day you cancel your policy;
2. At 23:59 on the day you end your trip, if you end your trip early;
3. At 23:59 on the day you arrive at a medical facility for further care if you end your trip due to a medical reason; or
4. At 23:59 on the 45th day of the trip.

However, if *your* return travel is delayed due to a reason covered under this *policy*, *we* will extend *your* coverage period until the earlier of when *you* are able to return to *your* point of origin or *primary residence*, or until *you* arrive at a medical facility for further care following a medical repatriation or *trip* interruption.

Please note that this *policy* applies for a specific *trip* and cannot be renewed.

DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages which are included in *your policy*. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. **Please note that exclusions may apply.**

A. EMERGENCY MEDICAL/DENTAL ABROAD

If *you* receive emergency medical or dental care while *you* are on *your trip* abroad for one of the following *covered reasons*, we will reimburse the *reasonable and customary costs* of that care for which *you* are responsible, up to the maximum benefit listed for emergency medical/dental coverage in *your* Coverage Summary (dental care is subject to the maximum sublimit listed for dental care):

1. While on *your trip abroad*, *you* have a sudden, unexpected illness, *injury*, or medical condition that could cause serious harm if it is not treated before *your* return home (including being diagnosed with an *epidemic* or *pandemic* disease such as COVID-19).
2. While on *your trip abroad*, *you* have a dental *injury* or infection, a lost filling, or a broken tooth that requires treatment.

If *you* need to be admitted to a *hospital* as an inpatient, we may be able to guarantee or advance payments, where accepted, up to the limit of *your* emergency medical/dental coverage.

IMPORTANT:

- Please note that this is secondary coverage. If *you* have health insurance, *you* must submit *your* claim to that provider first. If *you* do not have health insurance or it is known that *your* health insurance does not provide coverage in the geographical area where *your* medical emergency is treated, please submit *your* claim directly to *us*. Any payment *you* receive from any other insurance provider or any other entity will be deducted from *your* claim.

The following conditions and exclusions apply:

- a. The care must be *medically necessary* to treat an emergency condition, and such care must be provided by a *doctor*, dentist, *hospital*, or other provider authorized to practice medicine or dentistry.
- b. This coverage will not pay for any care provided after *your* coverage ends.
- c. This coverage will not pay for any care for any medical emergency that did not originate during *your trip* abroad,

B. EMERGENCY TRANSPORTATION

IMPORTANT:

- If *your* emergency is immediate or life threatening, seek local emergency care at once.
- *We* are not, and shall not be deemed to be, a provider of medical or emergency services.
- *We* act in compliance with all national and international laws and regulation, and *our* services are subject to approvals by appropriate local authorities and active travel & regulatory restrictions.

Emergency Evacuation (Transporting *you* to the nearest appropriate medical facility)

If *you* become seriously ill or *injured* or develop a medical condition (including being diagnosed with an *epidemic* or *pandemic* disease such as COVID-19) while on *your trip*, *we* will pay for local emergency transportation from the location of the initial incident to a local *doctor* or local medical facility. If *we* determine that the local medical facilities are unable to provide appropriate medical treatment:

1. *Our* medical team will consult with the local *doctor* to obtain information necessary to make appropriate decisions regarding *your* overall medical condition,
2. *We* will identify the closest appropriate available *hospital* or other appropriate available facility, make arrangements to transport *you* there, and pay for that transport, and
3. *We* will arrange and pay for a *medical escort* if *we* determine one is necessary.

The following conditions apply to items 1, 2 and 3 above:

- a. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements. *We* will not assume any responsibility for any transportation arrangements that *we* did not authorize or arrange,
- b. All decisions about *your* evacuation must be made by medical professionals licensed in the countries where they practice,
- c. *You* must comply with the decisions made by *our* assistance and medical teams. If *you* do not comply, *you* effectively relieve *us* from any responsibility and liability for the consequences of *your* decisions, and *we* reserve the right to not provide coverage,
- d. One or more emergency transportation providers must be willing and able to transport *you* from *your* current location to the identified *hospital* or facility.

Medical Repatriation (Getting *you* home after *you* receive care)

If *you* become seriously ill or *injured* or develop a medical condition (including being diagnosed with an *epidemic* or *pandemic* disease such as COVID-19) while on *your trip* which entirely prevents *you* from continuing *your* travel, or causes *you* to miss your scheduled departure to *your home country* and *our* medical team subsequently confirms with the treating *doctor* that *you* are medically stable to travel, *we* will:

1. Arrange and pay for *you* to be transported via regularly scheduled service on a common carrier in the same class of service that *you* originally booked, unless a different class of service is otherwise *medically necessary*, for the return leg of *your trip*, less available *refunds* for unused tickets. The transportation will be to one of the following:
 - a. *Your primary residence*,
 - b. A location of *your* choice in *your* country of residence, or

In either case, the medical facility must be willing and able to accept *you* as a patient and must be approved by *our* medical team as medically appropriate for *your* continued care.
2. Arrange and pay for a *medical escort* if *our* medical team determines that one is necessary.

The following conditions apply:

- a. Special accommodations must be *medically necessary* for *your* transportation (for example, if more than one seat is *medically necessary* for *you* to travel).

- b. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements. *We* will not assume any responsibility for any transportation arrangements that *we* did not authorize or arrange,
- c. All decisions about *your* repatriation must be made by medical professionals licensed in the countries where they practice,
- d. *You* must comply with the decisions made by *our* assistance and medical teams. If *you* do not comply, *you* effectively relieve *us* from any responsibility and liability for the consequences of *your* decisions, and *we* reserve the right to not provide coverage,
- e. One or more emergency transportation providers must be willing and able to transport *you* from *your* current location to the identified *hospital* or facility.

Transport to Bedside (Bringing a friend or *your family member* to *you*)

If *you* are told by the treating *doctor* that *you* will be hospitalized (including being hospitalized due to an *epidemic* or *pandemic* disease such as COVID-19) for more than 7 days during *your trip* or that *your* condition is immediately life-threatening, *we* will arrange and pay for round-trip transportation in economy class on a *travel carrier* for one friend or *family member* to stay with *you*.

We will, also, pay for this friend's or *your family member's* accommodation expenses during the stay, up to the maximum benefit listed in *your* Coverage Summary.

The following condition applies:

- a. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements.

Return of Dependents (Getting minors and dependents home)

If *you* die or are told by the treating *doctor* during *your trip* that *you* will be hospitalized (including being hospitalized due to an *epidemic* or *pandemic* disease such as COVID-19) for more than 24 hours during *your trip*, *we* will arrange and pay to transport *your travelling companions* who are under the age of 18, or are dependents requiring *your* full-time supervision and care to one of the following:

1. *Your primary residence*, or
2. A location of *your* choice in *your* country of residence.

We will arrange and pay for an adult *family member* to accompany *your travelling companions* who are under the age of 18 or are dependents requiring *your* full-time supervision and care, if *we* determine that it is necessary.

Transportation will be on a *travel carrier* in the same class of service that was originally booked. Available *refunds* for unused tickets will be deducted from the total amount payable.

The following conditions apply:

- a. This benefit is only available while *you* are hospitalized, or if *you* die, and if *you* do not have an adult *family member* travelling with *you* that is capable of caring for the *travelling companions* under the age of 18 or dependents.
- b. *You* or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements.

Repatriation of Remains (Getting *your* remains home)

We will arrange and pay for the reasonable and necessary services and supplies to transport *your* remains to one of the following:

1. A funeral home near *your primary residence*, or
2. A funeral home located in *your* country of residence

The following conditions apply:

- a. Someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. If *we* did not authorize and arrange the transportation, *we* will only pay up to what *we* would have paid if *we* had made the arrangements, and
- b. The death must occur while on *your trip*.

If a *family member* decides to make funeral, burial, or cremation arrangements for *you* at the location of *your* death, we will reimburse the necessary expenses up to the amount it would have cost *us* to transport *your* remains to a funeral home near *your primary residence*.

You are the policy holder if *you* concluded the insurance contract with *us*. *You* are required to pay *us* the insurance premium. *You* are obliged to provide the other co-insured persons with these Terms and Conditions of Insurance and the Data Protection Policy. As policyholder *you* can be an insured person at the same time.

As an insured person, *you* benefit from the insurance cover. *You* are named in the proof of insurance, or *you* belong to the group of persons described therein.

Your insured travel is protected by insurance cover within the agreed area of application.

When do *you* have to pay the insurance premium?

The premium is due immediately after conclusion of the insurance contract and is payable upon delivery of the insurance *policy*. If the insured event occurs, *we* will only be obliged to provide indemnity if the premium has been paid, or if *you*, as the policy-holder, are not at fault for the non-payment of the premium. *You* are required to prove this to *us*.

What are *your* obligations in the event of a claim (general obligations)?

You are required to minimise the loss or damage to the extent possible and avoid unnecessary costs.

You are obliged to notify *us* immediately and describe the insured event (e. g. event and extent). In doing so, *you* must truthfully provide *us* with all information necessary to clarify the facts, and enable *us* to verify the cause and amount of the claim made. *You* must provide proof of the damage in the form of original invoices and documents.

To enable *us* to assess *our* obligation to indemnify and the scope of indemnity to be provided, *you* must also release *your* doctor from their non-disclosure obligations to the extent that is necessary. If *you* do not issue the release from the duty of confidentiality and have not enabled *us* to perform verification by other means, *we* are not obligated to provide insurance benefits.

If *you* intentionally breach an obligation, *we* shall be entitled to refuse the insurance benefit. If *you* breach an obligation through *your* gross negligence, *we* may reduce the indemnity to an extent commensurate to the severity of *your* fault. *You* must prove that *you* have not acted in gross negligence.

If *you* prove that the breach of duty did not affect the determination or the scope of *our* indemnity obligation, *we* will be obliged to provide *you* insurance benefits. This does not apply if *you* have acted deceitfully.

What is the limitation period for *your* claim to benefits under the insurance contract?

Your claim to insurance benefit shall lapse after three years. The limitation period begins at the end of the year in which the claim was made and *you* had knowledge of the circumstances justifying the claim, or should have had knowledge of such circumstances without gross negligence.

When will *we* pay the compensation?

We will pay the compensation within two weeks of conclusively verifying *your* claim. The payment will always be made by bank transfer to an account held at a bank

What applies if *you* have claims for compensation against third parties?

If *you* have claims against third parties as a result of the loss event, these shall be transferred to *us*. This applies up to the amount of the payment that *you* have received from *us*, provided *you* are not placed at disadvantage as a result. *Your* entitlements to benefits from other private insurance contracts shall take precedence over *our* obligation to indemnify. *We* will extend preliminary indemnity in the event that *you* make *your* claim against *us* first.

The following condition applies:
