Take care during assembly. Do not dispose of any packaging or contents of the shipping carton until assembly is complete. Avoid balancing unsupported pieces and do not bend over near unsecured pieces. Keep children out of the way during assembly.

Pieces

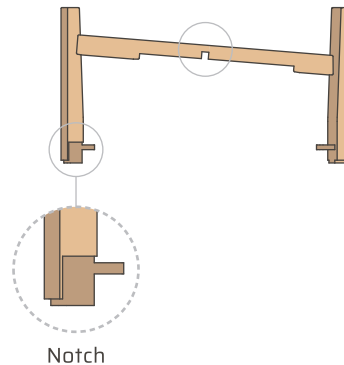

Armrest Frame x 1

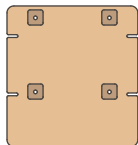

Leg A x 1

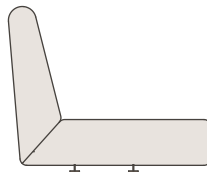

Leg B x 1

Seat Panel x 1

Cushion x 1

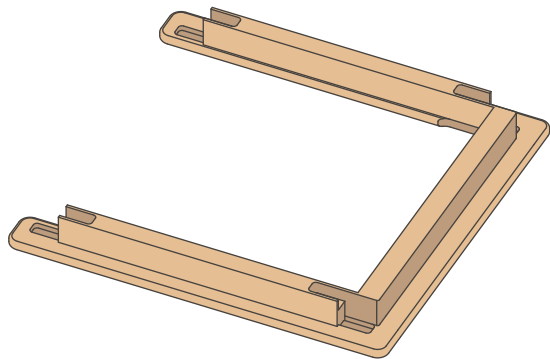

Short Screw x 8

Step 1

Use a soft surface as an underlay during assembly to protect from damage.

Lay the **armrest frame** on the floor with the flat side facing down.

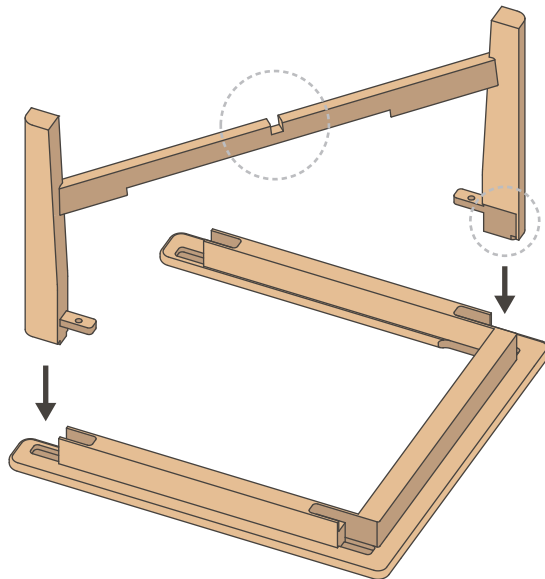

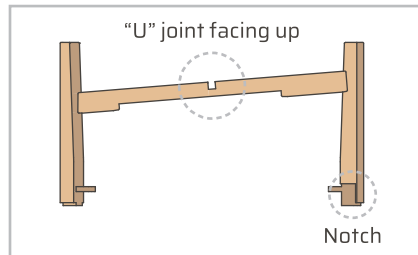

Step 2

Align the notch end of **leg A** with the back corner of the armrest frame.

Align the other end of leg A with the front side of the armrest frame.

Firmly press leg A into the armrest frame, making sure there are no gaps.

Leg A

Step 3

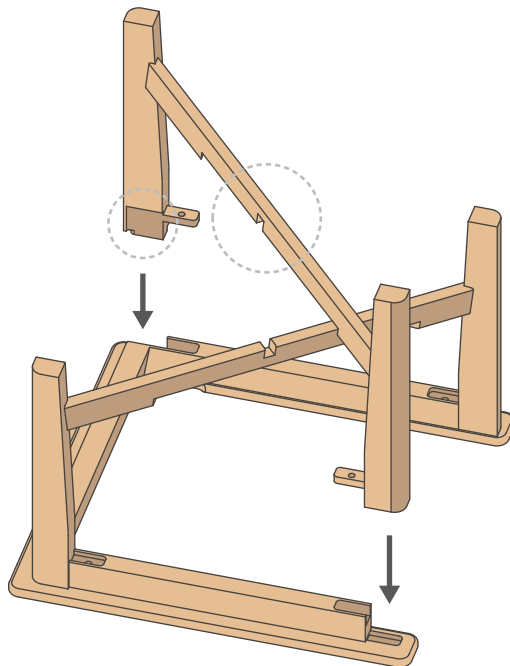

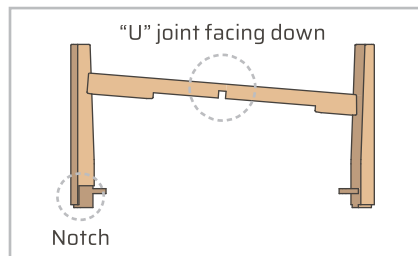

Align the notch end of **leg B** with the back corner of the armrest frame.

Align the other end of leg B with the front side of the armrest frame.

Align the “U” joints together.

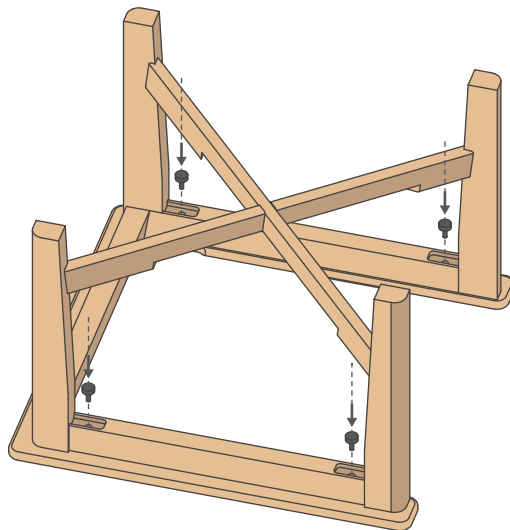

Firmly press leg B into the armrest frame, making sure there are no gaps.

Leg B

Step 4

Use four **short screws** to secure the legs to the armrest frame and tighten by hand.

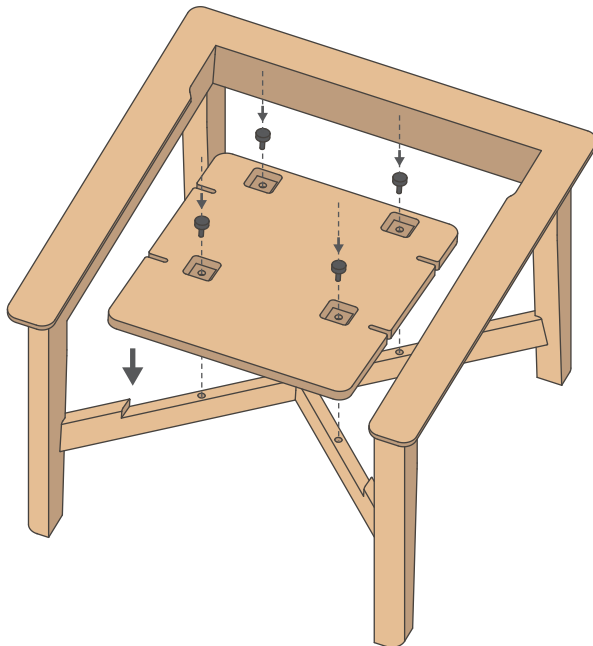

Step 5

Flip the chair frame upright.

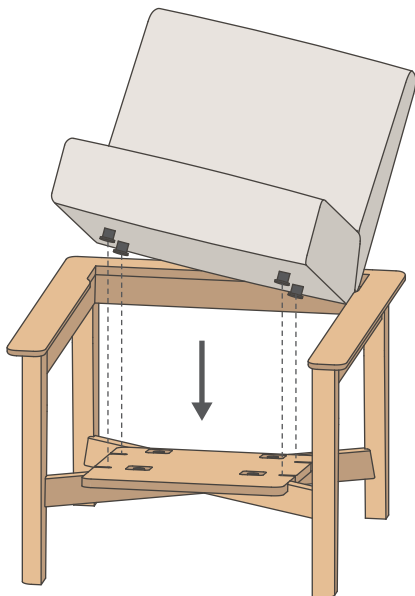

Place the **seat panel** onto the cross section, making sure the indents are facing upward and positioned closer to the back of the chair.

Use four short screws to secure the seat panel to the legs and tighten by hand.

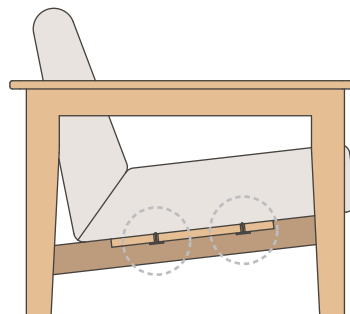

Step 6

Place the **cushion** onto the seat panel.

Attach the cushion by pulling out the button loops from the underside of the cushion and sliding each into the matching slit on the side of the seat panel. Repeat for all four buttons.

Ensure the buttons lay flat against the bottom of the frame.

Enjoy.
