

Hybrid Mattress

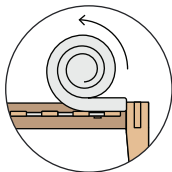

Supportive, breathable, and thermoregulating. The Hybrid Mattress is made with layers of organic wool, CertiPUR-US® certified foam, organic latex, and premium pocketed coils. Designed to pair perfectly with our beds. GREENGUARD Gold certified.

THUMA

Step 1

Lay the box on its side and slide the Hybrid Mattress out. It's best to unpack in the bedroom.

Step 2

Remove the outer layer of plastic then unroll the Hybrid Mattress completely.

Step 3

Carefully use the letter opener provided to cut the plastic. The Hybrid Mattress will begin to decompress.

Step 4

It can take up to 48 hours for the Hybrid Mattress to fully expand, but you can sleep on it right away. A slight odor is normal and will dissipate.
