Dear Sirs

Acquisition of Codemasters Group Holdings plc (the “Company”)

1. Background

I understand that the Offeror intends to announce a firm intention to make an offer for the entire issued and to be issued ordinary share capital of the Company (the “**Acquisition**”) on the terms and subject to the conditions set out in the attached draft offer announcement to be dated on or about the date of this deed (the “**Offer Announcement**”), together with such additional and further terms as are usual in transactions of this nature or as may be required to comply with the Code and/or such additional terms and conditions as may be agreed with the Panel.

I understand that the Acquisition is expected to be implemented by way of a Scheme (as defined below) but that the Offeror is entitled, in the circumstances set out in the Offer Announcement and subject to the terms of the Co-operation Agreement (as defined below), to implement the Acquisition by way of the Offer (as defined below).

This deed sets out the terms on which I will vote in favour of or accept (as applicable) the Acquisition.

Capitalised terms not otherwise defined in this deed shall have the meanings given to them in the Offer Announcement.

2. Irrevocable undertakings

I, the undersigned, irrevocably and unconditionally (except to the extent my Obligations as defined below terminate in accordance with the terms of this deed) undertake, warrant and represent to the Offeror that:

- 2.1 I am the registered holder and/or the beneficial owner of (or am otherwise able to control the exercise of all rights, including voting rights, attaching to and have the ability to procure the transfer of) the shares in the Company as set out in the first column of the table at Appendix 1 to this deed (the “**Existing Shares**”);
- 2.2 I have been granted options and awards over shares in the Company as set out in the second column of the table at Appendix 1 to this deed (the “**Awards**”), the Awards are still subsisting and I am beneficially entitled to the Awards;

- 2.3 Appendix 1 to this deed represents a complete and accurate list of all the shares and other securities in the Company of which I or any member of my immediate family am or is the registered holder and/or the beneficial owner or otherwise which I am able to control the exercise of all rights attaching to them and in respect of any shares and other securities in the Company contained in Appendix 1 not registered in my name I undertake to take all steps within my power to cause the registered holder to comply with the undertakings, confirmations and warranties given pursuant to this undertaking;
- 2.4 I have full power and authority to, and (unless the Offeror otherwise requests me in writing in advance) shall, exercise, or where applicable, procure the exercise of, all voting rights (whether on a show of hands or a poll and whether in person or by proxy) in relation to the Shares (as defined below) at:
- 2.4.1 the meeting of the Company's ordinary shareholders convened by order of the Court (including any adjournment thereof) for the purpose of considering and, if thought fit, approving the Scheme (the "**Court Meeting**"); and
- 2.4.2 the general meeting of the Company's ordinary shareholders (including any adjournment thereof) to be convened in connection with the Scheme (the "**GM**"),
- to vote in favour of the Scheme, in respect of any resolutions (whether or not amended) required to give effect to the Scheme (the "**Resolutions**") as set out in the notices of meeting in the circular to be sent to shareholders of the Company containing, amongst other things, the terms of the Scheme and an explanatory statement in respect of the Scheme (the "**Scheme Document**") and to vote against any proposal to adjourn the Court Meeting or the GM or to amend the Scheme (other than with the Offeror's prior consent);
- 2.5 I shall, after the dispatch of the Scheme Document to the Company's shareholders (and without prejudice to my right to attend and vote in person at the Court Meeting and the GM in accordance with paragraph 2.4):
- 2.5.1 return or procure the return of the signed forms of proxy enclosed with the Scheme Document (completed, signed and voting in favour of the Scheme and the Resolutions) in accordance with the instructions printed on the forms of proxy so that such forms are received by the Company's registrars proxy as soon as practicable and in any event within ten (10) days after the date of dispatch of the Scheme Document; and
- 2.5.2 not revoke or withdraw the forms of proxy once they have been returned to the Company in accordance with paragraph 2.5.1 above;
- 2.6 prior to the Scheme becoming effective (or, if applicable, the Offer becoming or being declared unconditional in all respects) or my Obligations (as defined below) terminating in accordance with the terms of this deed (whichever is earlier), I shall not, and shall procure that any person holding the Shares shall not:

- 2.6.1 except pursuant to the Scheme, sell, transfer, dispose of, charge, pledge or otherwise encumber or grant any option or other right over or otherwise deal in any of the Shares or any interest in them (whether conditionally or unconditionally);
- 2.6.2 except by the exercise of options or vesting of awards under the Silverstone Share Plans, acquire any shares or other securities of the Company or any interest (as defined in the Code) in any such shares or securities;
- 2.6.3 exercise any voting rights attaching to the Shares to vote in favour of any scheme of arrangement or other transaction which is proposed in competition with the Acquisition;
- 2.6.4 without the consent of the Offeror, exercise any voting rights attaching to the Shares to vote in favour of any resolution which might reasonably be expected to frustrate the Acquisition or any part thereof;
- 2.6.5 without the consent of the Offeror, in relation to the Shares and in my capacity as a shareholder, requisition, or join in requisitioning, any general or class meeting of the Company for the purpose of considering any resolution referred to in paragraph 2.6.3 above; or
- 2.6.6 other than pursuant to this deed, enter into any agreement or arrangement or allow to arise any obligation with any person, whether conditionally or unconditionally:
 - (i) to do any of the acts prohibited by paragraphs 2.6.1 to 2.6.5 (inclusive) of this deed; or
 - (ii) which, in relation to the Shares, would restrict or impede my ability to comply with this undertaking,

and references in this paragraph 2.6.6 to any agreement, arrangement or obligation shall include any such agreement, arrangement or obligation whether or not subject to any conditions or which is to take effect upon or following the Scheme becoming effective, lapsing or being withdrawn or upon or following this undertaking ceasing to be binding or upon or following any other event,

provided, for the avoidance of doubt, that the foregoing undertakings are given by me solely in relation to my interest in the Shares and shall not restrict any actions taken by me in accordance with my statutory and fiduciary duties in my capacity as a director of Silverstone or any of its subsidiaries or associated companies.

- 2.7 I shall accept any proposal made by or on behalf of the Offeror to holders of options and awards over Shares in compliance with Rule 15 of the Code in respect of all such awards or options held by me not later than 3:00pm on the day falling five Business Days prior to the deadline for accepting such proposals to the holders of options and awards.

3. Publicity

- 3.1 I consent to:
- 3.1.1 the announcement of the Acquisition containing references to me and to this deed substantially in the terms set out in the Offer Announcement;
 - 3.1.2 the inclusion of references to me and particulars of this deed being set out in the Scheme Document; and
 - 3.1.3 a copy of this deed being published on a website as required by Rule 26.2 and Note 4 on Rule 21.2 of the Code or the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority.
- 3.2 I acknowledge that I am obliged to make appropriate disclosure under Rule 2.10(c) of the Code promptly after becoming aware that I will not be able to comply with the terms of this deed or no longer intend to do so.
- 3.3 I understand that the information provided to me in relation to the Acquisition is given in confidence and must be kept confidential, save as required by law or any rule of any relevant regulatory body or stock exchange or to the extent I am required to make such disclosure to the Company or its legal or professional advisors in connection with the Acquisition or to my own legal or other professional advisors, until the Offer Announcement containing details of the Offer is released or the information has otherwise become generally or publicly available. If and to the extent any of the information is inside information for the purposes of the Criminal Justice Act 1993 or the EU Market Abuse Regulation (596/2014), I shall comply with the applicable restrictions in those enactments on dealing in securities and disclosing inside information.

4. Termination

This deed shall not oblige the Offeror to announce the Acquisition. However, without prejudice to any accrued rights or liabilities, my Obligations shall terminate and be of no further force and effect if:

- 4.1 the Offer Announcement is not released by 8.00 a.m. on 4 December 2020 or such later time or date as the Company and the Offeror may, with the consent of the Panel, agree;
- 4.2 the Offeror announces, with the consent of the Panel, and before the Scheme Document is published, that it does not intend to proceed with the Acquisition and no new, revised or replacement Scheme (or Offer, as applicable) is announced by the Offeror in accordance with Rule 2.7 of the Code at the same time; or
- 4.3 the Scheme (or Offer, as applicable) is withdrawn with the consent of the Offeror or lapses in accordance with its terms, provided that this paragraph 4.3 shall not apply:
 - 4.3.1 where the Scheme is withdrawn or lapses as a result of the Offeror exercising its right to implement the Acquisition by way of an Offer rather than a Scheme; or

- 4.3.2 if the lapse or withdrawal either is not, in the case of a withdrawal, confirmed by the Offeror or is followed within five (5) Business Days by an announcement under Rule 2.7 of the Code by the Offeror (or a person acting in concert with it) to implement the Acquisition either by a new, revised or replacement scheme of arrangement pursuant to Part 26 of the Companies Act 2006 or takeover offer (within the meaning of section 974 of the Companies Act 2006).

On termination of this deed, I shall have no claim against the Offeror and the Offeror shall have no claim against me, save in respect of any prior breach of this deed.

5. Implementation by way of a takeover offer

- 5.1 I acknowledge that the Offeror shall have the right and may elect at any time (with the consent of the Panel and whether or not the Scheme Document has then been dispatched) to implement the Acquisition by way of an Offer, as opposed to by way of a Scheme.
- 5.2 If such an Offer is made by the Offeror, in my capacity as a shareholder (and not as a director) of the Company:
- 5.2.1 I undertake and warrant that any Obligations shall apply mutatis mutandis to such Offer and, in particular, I undertake to accept, or procure the acceptance of, such Offer, in respect of the Shares within five (5) days of such Offer or such shorter period as the Panel may determine to be the last date for satisfaction of the acceptance condition under the timetable for the Offer to apply following the election of the Offeror to implement the Acquisition by way of Offer;
- 5.2.2 I further undertake not to withdraw (and, if applicable, shall procure that the registered holder does not withdraw), notwithstanding the provisions of the Code on or any terms of the Offer regarding withdrawal, such acceptance;
- 5.2.3 I agree to fulfil this undertaking, in respect of the Shares, by:
- (i) returning to you, or procuring the return to you, or as you may direct, duly completed and signed form(s) of acceptance relating to the Offer and I also agree to forward, or procure to be forwarded, with such form(s) of acceptance the share certificate(s) or other document(s) of title in respect of the relevant Shares as soon as possible and in any event within five (5) days of such Offer or such shorter period as the Panel may determine to be the last date for satisfaction of the acceptance condition under the timetable for the Offer to apply following the election of the Offeror to implement the Acquisition by way of Offer;
 - (ii) sending (or procuring that any CREST sponsor sends) to Euroclear UK & Ireland Limited the relevant Transfer to Escrow instruction accepting the Offer (in accordance with the procedures described in the offer document relating to the Offer) in respect of the relevant Shares as soon as possible and in any event within five (5) days of such Offer or such shorter period as the Panel may determine to be the last date for satisfaction of the acceptance

condition under the timetable for the Offer to apply following the election of the Offeror to implement the Acquisition by way of Offer; or

- (iii) taking such other steps as may be set out in the offer document relating to the Offer to effect the acceptance of the Offer and transfer to you of the Shares.

5.3 References in this deed to:

5.3.1 the Scheme becoming effective shall be read as references to the Offer becoming or being declared unconditional in all respects; and

5.3.2 the Scheme lapsing or being withdrawn shall be read as references to the closing or lapsing of the Offer.

FOR IMMEDIATE RELEASE

RECOMMENDED CASH AND SHARE ACQUISITION

of

CODEMASTERS GROUP HOLDINGS PLC (“CODEMASTERS”)

by

TAKE-TWO INTERACTIVE SOFTWARE, INC. (“TAKE-TWO”)

**to be effected by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

Summary

- The board of directors of Codemasters and the board of directors of Take-Two are pleased to announce that they have reached agreement on the terms of a recommended cash and shares offer to be made by Take-Two for the entire issued and to be issued share capital of Codemasters (the “**Acquisition**”). It is intended that the Acquisition is to be effected by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act (or, if Take-Two elects, with the consent of the Panel, a takeover offer under Part 28 of the Companies Act).

- Under the terms of the Acquisition, Codemasters Shareholders will be entitled to receive:

for each Codemasters Share held: 120 pence in cash

and

0.02834 New Take-Two Shares

- Based on Take-Two’s closing share price of US\$168.68 and the exchange rate of US\$1.31:£1 on 5 November 2020 (being the day prior to media speculation of Take-Two’s possible interest in an offer for Codemasters (the “**Pre-Announcement Date**”)), the terms of the Acquisition value each Codemasters Share at 485 pence per share and the entire issued and to be issued share capital of Codemasters at approximately £759 million (US\$994 million) on a fully diluted basis. Based on Take-Two’s closing share price of US\$159.99 and the exchange rate of US\$1.32:£1 on 9 November 2020 (being the last Business Day prior to the date of this announcement (the “**Latest Practicable Date**”)) the terms of the Acquisition value each Codemasters Share at 464 pence per share and the entire issued and to be issued share capital of Codemasters at approximately £726 million (US\$956 million) on a fully diluted basis.
- As at the Pre-Announcement Date, the terms of the Acquisition represent:
 - a premium of approximately 38.6 per cent. to the closing share price per Codemasters Share of 350 pence on 22 September 2020, being the date of Take-Two’s initial proposal to Codemasters;

- a premium of approximately 25.1 per cent. to the volume weighted average price per Codemasters Share of 388 pence in the 90 days ending on the Pre-Announcement Date;
 - a premium of approximately 33.7 per cent. to the volume weighted average price per Codemasters Share of 363 pence in the 180 days ending on the Pre-Announcement Date;
 - a premium of approximately 11.5 per cent. to the closing share price per Codemasters Share of 435 pence on the Pre-Announcement Date; and
 - an enterprise value multiple of approximately 40.5 times Codemasters' adjusted EBITDA for the 12 months ending 31 March 2020.
- Take-Two is a leading developer, publisher, and marketer of interactive entertainment for consumers around the world. Through its labels, Rockstar Games, 2K, Private Division, and Social Point, Take-Two develops and publishes a diverse portfolio of industry-leading interactive entertainment products, including *Grand Theft Auto*, *Red Dead Redemption*, and *NBA 2K*. Take-Two is listed on NASDAQ with a market capitalisation of approximately US\$18.4 billion (£14.0 billion) (as at the Latest Practicable Date). Further information in relation to Take-Two is set out in paragraph 8 of this Announcement.
 - Take-Two believes that the combination of Take-Two and Codemasters would bring together two world-class interactive entertainment portfolios, with a highly complementary fit between Take-Two's 2K label and Codemasters. Take-Two believes that it can bring benefits to Codemasters' performance by leveraging Take-Two's global distribution and marketing infrastructure, together with Take-Two's core operating expertise in live operations, analytics, product development, and brand and performance marketing.
 - The Take-Two Board believes there is a compelling strategic and financial rationale for the Acquisition because it:
 - creates a global leader in interactive entertainment publishing through the combination of Take-Two and Codemasters' complementary and critically-acclaimed sports and racing franchises and world-class creative teams;
 - enhances diversity and revenue visibility of the Take-Two IP portfolio through the addition of Codemasters' regular title release cadence and high-quality racing titles;
 - delivers compelling financial benefits for the Enlarged Group – growth, earnings and operating margin accretive; and
 - provides enhanced revenue opportunity and cost synergy potential.
 - The combination is expected to be accretive to Take-Two's pro forma adjusted net income per share (excluding Take-Two's customary adjustments used by its management and the Take-Two Board to adjust Take-Two's US GAAP financial results) from the first full Fiscal Year following completion of the Acquisition. This is anticipated to be the Fiscal Year ending 31 March 2022.
 - Frank Sagnier, Chief Executive Officer of Codemasters, and Rashid Varachia, Chief Financial Officer of Codemasters, along with the senior executive management team of Codemasters intend to remain with Codemasters following completion of the Acquisition and will continue to lead the Codemasters business within Take-Two's organisation and its 2K label.
 - **The Codemasters Directors, who have been so advised by Jefferies as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Codemasters Directors, Jefferies has taken into account the commercial assessment of the Codemasters Directors. Jefferies is providing independent financial advice to the Codemasters Directors for the purposes of Rule 3 of the Code.**

- Accordingly, the Codemasters Directors intend to recommend unanimously that Codemasters Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the Codemasters General Meeting as the Codemasters Directors who hold, or are otherwise beneficially interested in, Codemasters Shares have irrevocably undertaken to do in respect of the beneficial holdings which are under their control of, in aggregate, 6,614,250 Codemasters Shares and representing approximately 4.34 per cent. of the ordinary share capital of Codemasters in issue on the Latest Practicable Date.
- It is anticipated that the Acquisition will complete in the first quarter of 2021.

Commenting on the Acquisition, Strauss Zelnick, Chairman and Chief Executive Officer of Take-Two, said:

“We are exceedingly pleased to announce this recommended transaction with the Board of Codemasters. Codemasters has a renowned history of creating some of our industry’s most beloved and commercially successful racing franchises, and we believe that their offerings will be highly complementary to our sports portfolio and enhance further our organization’s long-term growth. Moreover, we look forward to welcoming Codemasters’ senior management and development teams into our Take-Two family, and sharing in our vision to deliver the highest quality entertainment experiences and aim to be the most innovative, creative and efficient company in our industry.”

Commenting on the Acquisition, Gerhard Florin, Chairman of Codemasters, said:

“With a leading position in sports gaming, the Board of Codemasters firmly believes the Company will benefit from Take-Two’s broad capabilities which will help propel the long term success of Codemasters. In recommending this Offer to shareholders, the Board of Codemasters believes it is in the best interests of all stakeholders in the Company. Take-Two’s offer reflects the great work the management team has done since listing on AIM in 2018 at 200p and delivers an excellent return for shareholders in just two and a half years.”

The Scheme will also be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which is expected to be dispatched to Codemasters Shareholders as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (unless agreed otherwise with the Panel).

Any failure to comply with the applicable requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility and liability for the violation of such restrictions by any person.

In particular, the ability of Overseas Shareholders to vote their Codemasters Shares at the Court Meeting

Additional information for US investors

*The Acquisition relates to the shares of an English incorporated company and is proposed to be made by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). Accordingly, the Acquisition will be subject to the disclosure requirements and practices applicable in the United Kingdom and under the Code to schemes of arrangement, which differ from the disclosure requirements and practices of the US proxy solicitation and tender offer rules. Neither the US Securities and Exchange Commission (the “**SEC**”), nor any securities commission of any state of the United States, has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.*

US Codemasters Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Financial information relating to Codemasters included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US holders of Codemasters Shares to enforce their rights and any claims they may have arising under US federal securities laws in connection with the Acquisition, since Codemasters is organised under the laws of a country other than the United States, and some or all of its officers and directors may be residents of countries other than the United States, and most of the assets of Codemasters are located outside of the United States. US holders of Codemasters Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s jurisdiction or judgment.

The Acquisition may, in the circumstances provided for in this Announcement, instead be carried out by way of a Takeover Offer under the laws of England and Wales. If Take-Two exercises its right to implement the Acquisition by way of a Takeover Offer, such Takeover Offer will be made in compliance with applicable US tender offer and securities laws and regulations, including the exemptions therefrom. Such a Takeover Offer would be made in the United States by Take-Two and no one else. In addition to any such Takeover Offer, in accordance with normal UK practice, Take-Two, certain affiliated companies, or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Codemasters Shares outside of the US, other than pursuant to such Takeover Offer, until the date on which such Takeover Offer would become effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as

required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. If such purchases or arrangements to purchase are made they would be made outside the United States in compliance with applicable law, including the Exchange Act.

The New Take-Two Shares have not been and will not be registered under the US Securities Act of 1933 (the “**Securities Act**”) or under the securities laws of any state or other jurisdiction of the United States and may not offered or sold in the United States absent registration or an available exemption or safe harbour from registration under the Securities Act. To the extent Take-Two effects the acquisition of Codemasters as a scheme of arrangement under the laws of England and Wales, the New Take-Two Shares to be issued in the Acquisition will be issued in reliance on the exemption from the registration requirements of the Securities Act provided by Section 3(a)(10) thereof. Codemasters will advise the Court that its sanction of the scheme of arrangement will be relied upon by Take-Two as an approval of the scheme of arrangement following a hearing on its fairness to Codemasters Shareholders at which hearing all such shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the scheme of arrangement and with respect to which notification has been given to all Codemasters Shareholders. The New Take-Two Shares to be issued to Codemasters Shareholders in the Acquisition pursuant to a scheme of arrangement under the laws of England and Wales generally should not be treated as “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act and persons who receive securities in the Acquisition pursuant to such a scheme of arrangement (other than “affiliates” of Take-Two as described in the paragraph below) may resell them without restriction under the Securities Act.

Under US federal securities laws, a Codemasters Shareholder who is an “affiliate” of Take-Two within 90 days prior to, or at any time following, the date upon which the Scheme Court Order is filed at Companies House will be subject to certain US transfer restrictions relating to the New Take-Two Shares received in connection with the Acquisition pursuant to a scheme of arrangement under the laws of England and Wales. The New Take-Two Shares held by such affiliates may not be sold without registration under the Securities Act, except pursuant to the applicable resale provisions of Rule 144 under the Securities Act or another available exemption from the registration requirements of the Securities Act, including transactions conducted pursuant to Regulation S under the Securities Act. Whether a person is an “affiliate” of a company for such purposes depends upon the circumstances, but affiliates of a company can include certain officers, directors and significant shareholders. A person who believes that he or she may be an affiliate of Take-Two should consult his, her or its own legal advisers prior to any sale of any New Take-Two Shares.

In the event that Take-Two determines to effect the Acquisition pursuant to a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the Securities Act, it will file a registration statement with the SEC containing a prospectus with respect to the New Take-Two Shares that would be issued in the Acquisition. In this event, Codemasters Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC’s website at www.sec.gov or by directing a request to Take-Two’s contact for enquiries identified above.

Neither the SEC nor any US state securities commission has approved or disapproved of the New Take-Two Shares to be issued in connection with the Acquisition or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of New Take-Two Shares pursuant to the Acquisition by a Codemasters Shareholder may be a taxable transaction for US federal income tax purposes and under applicable state and local, as well as foreign and other, tax laws. Each Codemasters Shareholder is urged to consult his independent professional tax adviser immediately regarding the tax consequences of the Acquisition.

Notes regarding the New Take-Two Shares

Accordingly, the New Take-Two Shares are not being, and may not be, offered, sold, resold, delivered or distributed, directly or indirectly in or into Australia, Canada or Japan or any other jurisdiction if to do so would constitute a violation of relevant laws of, or require registration thereof in, such jurisdiction (except pursuant to an exemption, if available, from any applicable registration requirements or otherwise in compliance with all applicable laws).

Right to switch to a Takeover Offer

Take-Two reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Codemasters as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Take-Two so decides (with the consent of the Panel), on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, than those which would apply to the Scheme and subject to the amendment referred to in Appendix I to this Announcement.

FOR IMMEDIATE RELEASE

10 November 2020

RECOMMENDED CASH AND SHARE ACQUISITION

of

CODEMASTERS GROUP HOLDINGS PLC (“CODEMASTERS”)

by

TAKE-TWO INTERACTIVE SOFTWARE, INC. (“TAKE-TWO”)

**to be effected by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The board of directors of Codemasters and the board of directors of Take-Two are pleased to announce that they have reached agreement on the terms of a recommended cash and share offer pursuant to which Take-Two will acquire the entire issued and to be issued share capital of Codemasters (the “**Acquisition**”). The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Companies Act (although Take-Two reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Panel).

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, Codemasters Shareholders will be entitled to receive:

for each Codemasters Share held: 120 pence in cash

and

0.02834 New Take-Two Shares

Based on Take-Two’s closing share price of US\$168.68 and the exchange rate of US\$1.31:£1 on 5 November 2020 (being the day prior to media speculation of Take-Two’s possible interest in an offer for Codemasters (the “**Pre-Announcement Date**”)), the terms of the Acquisition value each Codemasters Share at 485 pence per share and the entire issued and to be issued share capital of Codemasters at approximately £759 million (US\$994 million) on a fully diluted basis. Based on Take-Two’s closing share price of US\$159.99 and the exchange rate of US\$1.32:£1 on 9 November 2020 (being the last Business Day prior to the date of this announcement (the “**Latest Practicable Date**”)) the terms of the Acquisition value each Codemasters Share at 464 pence per share and the entire issued and to be issued share capital of Codemasters at approximately £726 million (US\$956 million) on a fully diluted basis.

As at the Pre-Announcement Date, the terms of the Acquisition represent:

- a premium of approximately 38.6 per cent. to the closing share price per Codemasters Share of 350 pence on 22 September 2020, being the date of Take-Two's initial proposal to Codemasters;
- a premium of approximately 25.1 per cent. to the volume weighted average price per Codemasters Share of 388 pence in the 90 days ending on the Pre-Announcement Date;
- a premium of approximately 33.7 per cent. to the volume weighted average price per Codemasters Share of 363 pence in the 180 days ending on the Pre-Announcement Date;
- a premium of approximately 11.5 per cent. to the closing share price per Codemasters Share of 435 pence on the Pre-Announcement Date; and
- an enterprise value multiple of approximately 40.5 times Codemasters' adjusted EBITDA for the 12 months ending 31 March 2020.

The Codemasters Shares will be acquired by Take-Two fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement in respect of the Codemasters Shares.

If any dividend or other distribution in respect of the Codemasters Shares is declared, paid or made on or after the date of this Announcement, Take-Two reserves the right to reduce the consideration payable for each Codemasters Share under the terms of the Acquisition by the amount per Codemasters Share of such dividend or distribution. If Take-Two exercises this right or makes such a reduction in respect of a dividend or other distribution, Codemasters Shareholders will be entitled to receive and retain that dividend or other distribution. Any exercise by Take-Two of its rights referred to in this paragraph shall be subject to an announcement and, for the avoidance of doubt, shall not constitute a revision or variation of the terms of the Acquisition.

It is currently expected that the Scheme Document will be published shortly, that the Court Meeting and the Codemasters General Meeting will be held in December 2020 and that the Scheme will become Effective in the first quarter of 2021.

3. Recommendation

The Codemasters Directors, who have been so advised by Jefferies as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Codemasters Directors, Jefferies has taken into account the commercial assessments of the Codemasters Directors. Jefferies is providing independent financial advice to the Codemasters Directors for the purposes of Rule 3 of the Code.

Accordingly, the Codemasters Directors intend to recommend unanimously that Codemasters Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the Codemasters General Meeting as the Codemasters Directors who hold, or are otherwise beneficially interested in, Codemasters Shares have irrevocably undertaken to do in respect of the beneficial holdings which are under their control of, in aggregate, 6,614,250 Codemasters Shares and representing approximately 4.34 per cent. of the ordinary share capital of Codemasters in issue on the Latest Practicable Date.

4. Background to and reasons for the Acquisition

The Take-Two Board believes that the combination of Take-Two and Codemasters would bring together

two world-class interactive entertainment portfolios, with a highly complementary fit between Take-Two's 2K label and Codemasters. Given this complementary fit, Take-Two believes that there is a compelling strategic and financial rationale for the Acquisition and expects the combination of Take-Two and Codemasters to deliver a number of benefits to its shareholders.

Creates a global leader in interactive entertainment publishing through the combination of Take-Two and Codemasters' complementary and critically-acclaimed sports and racing franchises

- Take-Two publishes a variety of world-class sports franchises across platforms. Key titles include the *NBA 2K* series, which continues to be the top-ranked NBA basketball video game, the *WWE 2K* professional wrestling series, and the *PGA Tour 2K* golf title. In March 2020, Take-Two announced a multi-year partnership with the National Football League encompassing multiple future non-simulation American football video games that will launch starting in Take-Two's Fiscal Year ending 31 March 2022.
- Take-Two's publishing capabilities have grown *NBA 2K* into the top-selling NBA simulation video game. Take-Two's strategy is to scale these capabilities to a diversified portfolio of sports franchises. Codemasters' portfolio has clear alignment with Take-Two's strengths and ambitions: (i) a category leader in racing; (ii) annualised / biennial releases; (iii) in-game live services; and (iv) broad international appeal.
- Codemasters will further complement Take-Two's portfolio with its leading racing simulation game franchises such as the official *Formula One* racing games, *DiRT*, *DiRT Rally*, *GRID*, and *Project Cars*. *Formula One*, *NBA 2K*, *WWE 2K*, and *PGA Tour 2K* will together offer users four of the world's strongest and fastest growing game franchises, with broad international appeal and a large combined global audience. These franchises will be highly complementary given each company's respective success and expertise in their sports specialties.

Enhanced diversity and revenue visibility of Take-Two portfolio through Codemasters' high-quality, regular title release cadence and predictable monetisation

- Through Codemasters' history of annual and biennial title releases, the combination will contribute a stable cadence of revenue for Take-Two, increasing overall revenue visibility within the combined group. Codemasters has a highly engaged and loyal player base which enhances the ability to develop stable / recurring revenue.
- Codemasters has demonstrated an ability to improve the monetisation of its *Formula One* franchise, while also achieving consistent performance in *DiRT* and *GRID* titles. The Acquisition would grow Take-Two's core sports properties in number from 4 to 9, and the monetisation of Codemasters' franchises will reinforce the robustness of Take-Two's sports portfolio.

Delivers compelling financial benefits for the Enlarged Group – growth, earnings and operating margin accretive

- The combination is expected to be accretive to Take-Two's pro forma adjusted net income per share (excluding Take-Two's customary adjustments used by its management and the Take-Two Board to adjust Take-Two's US GAAP financial results) from the first full Fiscal Year following completion of the Acquisition. This is anticipated to be the Fiscal Year ending 31 March 2022.
- Combining the strong margin profile and efficient cost structure of Codemasters with efficiencies from Take-Two's operating scale is expected to enhance operating margin expansion at Take-Two through the benefits of greater operating leverage. Take-Two expects that margin accretion will allow it to generate greater free cash flow to reinvest in growth initiatives.
- Take-Two expects Codemasters to deliver strong growth in its *Formula One* franchise. Take-Two believes that this growth will be accelerated through integration of live services, enhanced global distribution and marketing and improved accessibility of racing sims.

Significantly enhanced revenue opportunity and cost synergy potential

- *Increase investment in the publishing and development of major franchises:* Take-Two intends to invest in developing best-in-class features in Codemasters' titles with the goal of expanding the accessibility and appeal of its titles to a broader audience.
- *Integrate live services and expand licensing of game content:* Take-Two has developed significant expertise in product development, analytics, and live operations, particularly in the context of global sports franchises. Take-Two's relationships with brand partners and expertise in partnerships, licensing, and brand marketing will be utilised to expand the scale of and user engagement with Codemasters' existing and forthcoming franchises.
- *Integrate Codemasters into Take-Two's network of development services and studios:* The ability to leverage Take-Two's creative, technical and commercial knowledge base across studios, along with its centralised asset base will help to enhance Codemasters' development and publishing capabilities.
- *Deliver cost synergies while maintaining Codemasters' operational independence:* Take-Two intends to continue to leverage the creative capabilities of Codemasters' existing employees and expects to deliver cost synergies from overlapping administrative functions and unnecessary expenses such as costs associated with maintaining a publicly listed company.

5. Background to and reasons for the Recommendation

Since its initial public offering in 2018, the Codemasters Group has continued its track record of developing and publishing best-in-class games across the racing category. This has not only underpinned a robust financial performance, but also been a key driver behind the significant share price increase, up 139 per cent. since the initial public offering. Over the two years prior to release of this Announcement Codemasters has:

- successfully released seven new titles;
- delivered on bringing post-launch services to all of its new titles;
- signed a new five year deal with Formula One Management to continue developing and publishing the highly successful F1 franchise until 2025 with an extension to 2027 based on performance metrics;
- entered into new partnerships in China, including a co-development mobile title with NetEase;
- established itself as a pioneering 'must-have' developer on the new emerging platforms with launch titles on Xbox Series X, PlayStation 5, Microsoft XCloud, Google Stadia and Amazon Luna;
- delivered the highly complementary acquisition of Slightly Mad Studios, consolidating Codemasters' strong sub sector positioning in the racing category;
- partnered with F1 to establish the leading racing Esports Series in addition to the award winning and record breaking Virtual Grand Prix in 2020;
- signed a five year exclusive licence for the FIA World Rally Championship commencing 2023; and
- increased its digital sales from 41 per cent. in Fiscal Year 2018 to 67.7 per cent. in Fiscal Year 2020.

Whilst many sectors have struggled during the extraordinary 'one-off' circumstances presented by

COVID-19, the gaming sector has seen significant resilience. For Codemasters, this not only accelerated the shift to digital delivery, resulting in an improved gross margin, but also created a buoyant market in which to release F1 2020. Reflected in the Codemasters' H1 2021 performance, the Company delivered £80.5 million revenue, the strongest H1 performance on record, an increase of 102.3 per cent. when compared to H1 2020. Despite Codemasters benefiting from these tailwinds, the Company's valuation has consistently traded at a discount to UK and European listed peers since its initial public offering. Whilst the sector has benefitted from restrictive 'stay at home' measures applied by governments globally, there remains uncertainty around the medium-term impact on the global economic environment and consumer behaviours.

To strengthen the position that Codemasters has built within the racing category there is an increasing necessity for additional investment in both resources and skills across its portfolio. Take-Two's leading position in sports gaming combined with their publishing and distribution scale, their state of the art live services, and their analytics capabilities is expected to fuel Codemasters' growth and provide greater certainty over the Company's long-term success.

The Codemasters Directors remain confident that Codemasters' existing strategy would deliver significant value over time for Codemasters Shareholders as an independent company as it continues to successfully execute its strategy of growing and enhancing its position in the racing category of the gaming sector. Whilst confident in the existing strategy, the Codemasters Directors also believe that the terms of the Acquisition acknowledge the quality of Codemasters' platform, portfolio, and future prospects. The Acquisition also provides shareholders with the ability to both monetise their holding and share in the potential benefit of being part of the Enlarged Group. As such, the Directors intend unanimously to recommend the Acquisition to Codemasters Shareholders.

The Codemasters Directors note that:

- the terms of the Acquisition represent a significant premium of 25.1 per cent. to the volume weighted average price per Codemasters Share of 388 pence in the 90 days ending on the Pre-Announcement Date;
- the Offer Price provides an opportunity for Codemasters Shareholders to partially crystallise, in cash, the value of their holdings;
- the Offer Price provides an opportunity for Codemasters Shareholders to benefit from being part of the Enlarged Group by receiving New Take-Two Shares as partial consideration for their holdings;
- the Acquisition reflects the value created by Codemasters' strategy to date and the future value that the strategy is expected to create;
- the Acquisition is expected to deliver a number of strategic benefits to Codemasters' business, including:
 - the opportunity to benefit from significant experience from the leading sports gaming company globally;
 - best-in-class expertise including live services and analytics;
 - strong publishing and global distribution capabilities; and
- Take-Two Shares are highly liquid which will enable Codemasters shareholders to monetise the New Take-Two Shares to be received as partial consideration at completion of the Acquisition.

9. Employees, management and locations

Take-Two's strategic plans for Codemasters

Take-Two believes that it is the ideal partner for Codemasters and the combination of Take-Two and Codemasters will bring together two world-class interactive entertainment portfolios, with a highly complementary fit with its business. Consistent with its current strategy of building compelling entertainment franchises, Take-Two will support the management team of Codemasters in executing and refining Codemasters' current strategy, including the review of strategic priorities, options and opportunities.

Take-Two believes that the benefits from the Acquisition will be delivered from leveraging Take-Two's capabilities and operating expertise to enhance Codemasters' performance and growth potential. In order to deliver this growth potential, Codemasters will be integrated with 2K, a key label within Take-Two's label and studio organisational structure that has a particular strength in releasing annual and bi-annual titles. As part of this process, Take-Two intends to:

- increase the investment in the publishing and development of major franchises;
- integrate live services and expand licensing of game content; and
- integrate Codemasters into Take-Two's network of development services and studios.

Given the complementary nature of Codemasters and Take-Two's 2K label in terms of their areas of focus, franchises and capabilities, it is anticipated that there will be limited impact from the Acquisition on employees and customers of Take-Two's products. Upon completion of the Acquisition, the management teams of 2K and Codemasters will initiate a detailed review of the operations of both businesses to assess how they can work most effectively and efficiently together. The management teams will also carry out a review of Codemasters' products in the context of Codemasters' strategic objectives within the wider Take-Two Group and to understand how to leverage Take-Two's publishing and commercial knowledge to enhance Codemasters' product performance. These reviews, which are expected to take up to twelve months following completion of the Acquisition, will consider the current operating and organisational structures of both businesses and provide the basis for the development of a programme designed to integrate Codemasters with 2K in a way which minimises disruption to employees whilst delivering the expected opportunities and benefits of the Acquisition.

Given the complementary nature of Take-Two and Codemasters and the limited areas of overlap, it is anticipated that there will be minimal, if any, consolidation of the existing studios and operational centres of Codemasters. In respect of Codemasters' head office and corporate functions, where overlap and duplication does exist, it is intended that, following a review of the options available, activities will be consolidated and rationalised to allow for the better integration of Codemasters into Take-Two (see Employees paragraph below). The review of options is expected to take up to twelve months following completion of the Acquisition.

Employees

Take-Two attaches great importance to the skills and experience of the existing management and employees of Codemasters. Take-Two believes that the existing employees of Codemasters will continue to be an integral part of the success of Codemasters within Take-Two and that they will benefit from greater opportunities within the broader Take-Two organisation following the completion of the Acquisition. Frank Sagnier, Chief Executive Officer of Codemasters, and Rashid Varachia, Chief Financial Officer of Codemasters, along with the senior executive management team of Codemasters intend to remain with Codemasters following completion of the Acquisition and will continue to lead the Codemasters business within Take-Two's organization and its 2K label.

Take-Two confirms that, following the completion of the Acquisition, the existing contractual and statutory employment rights, including in relation to pensions, of all management and employees of the

Codemasters Group will be fully safeguarded in accordance with applicable law. Take-Two does not intend to make any material change to the conditions of employment or in the balance of skills and functions of the employees and management of the Codemasters Group.

Take-Two recognises that in order to achieve the expected benefits of the Acquisition, it will be necessary to perform a detailed review of how best to integrate overlapping administrative functions of the two businesses. Take-Two believes that there is the potential to generate selected cost savings through restructuring of certain administrative functions and initial analysis has identified that there is likely to be an opportunity to rationalise certain corporate overheads and support functions, in particular related to Codemasters' current status as a listed company. Subject to the outcome of the detailed review of the integration options, it is anticipated that there will not be a material reduction in the combined headcount of Take-Two and Codemasters. At this stage, Take-Two has not yet developed a proposal as to how such integration and restructuring would be implemented and will only be able to develop and implement such proposals once its review has been completed, which is expected to take up to twelve months following completion of the Acquisition.

It is intended that, following the completion of Acquisition, each of the chairman and non-executive directors of Codemasters will resign from office as directors of Codemasters.

Management and employee incentivisation arrangements

Following the Effective Date, Take-Two intends to review the management, governance and incentive structure of Codemasters and proposals regarding incentivisation arrangements for certain management and employees of Codemasters will be considered as part of such review. Except as described below, Take-Two has not entered into and has not had discussions on proposals to enter into, any new incentivisation arrangements with members of Codemasters' management or any of its employees.

Following the Effective Date, Take-Two will grant Take-Two RSUs to certain members of management and employees of Codemasters as follows:

- Frank Sagnier will be awarded such number of Take-Two RSUs as have a value equivalent to 186,667 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share;
- Rashid Varachia will be awarded such number of Take-Two RSUs as have a value equivalent to 140,000 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share;
- Jonathan Bunney will be awarded such number of Take-Two RSUs as have a value equivalent to 210,000 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share;
- Clive Moody will be awarded such number of Take-Two RSUs as have a value equivalent to 210,000 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share; and
- other specified employees of Codemasters will, in aggregate, be awarded such number of Take-Two RSUs as is equivalent in value to a total of 489,886 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share.

The Take-Two RSUs to be awarded to Jonathan Bunney, Clive Moody and the other specified Codemasters' employees would vest as to 50% over three years and as to 50% based on a profit contribution made by Codemasters to the Enlarged Group.

In addition to the above, Take-Two intends to incentivise Codemasters' employees (other than senior management) with Take-Two RSUs that have a value equivalent to a total of 483,573 Codemasters Shares at the implied offer price of 485 pence per Codemasters Share. These RSUs will vest as to 50% over three years and as to 50% based on achievement of targets for growth in the profit contribution made by the Codemasters business to the Enlarged Group. The Codemasters' employees who receive these awards have not been determined and Take-Two does not intend to make all of these awards within 12 months of the Effective Date.

For the purposes of Rule 16.2(a) of the Code, Jefferies has confirmed that, in its opinion, the award of Take-Two RSUs to Frank Sagnier, Rashid Varachia and the two members of Codemasters' senior management are fair and reasonable so far as the Codemasters Shareholders are concerned.

Headquarters, locations, fixed assets and research & development

Beyond the potential changes identified above in relation to certain corporate overheads and support functions of Codemasters, Take-Two does not intend to initiate any material changes in the location or functions of Codemasters' operations and places of business, including its head office, or redeploy the fixed assets of Codemasters, as a result of the Acquisition.

Take-Two does not expect the Acquisition to have a material impact on the research and development activities of either Codemasters or Take-Two.

Pensions

Following completion of the Acquisition, Take-Two does not intend to make any changes with regard to the agreed employer contributions into Codemasters' existing defined contribution pension scheme(s) or other pension schemes. The Codemasters Group does not participate in any defined benefit pension scheme.

Listing locations

Prior to the Scheme becoming effective, it is intended that applications will be made to the London Stock Exchange to cancel trading in the Codemasters Shares on AIM, with effect from or shortly following the Effective Date and to re-register it as a private company.

Take-Two intends prior to completion of the Acquisition to establish a depositary interest dealing facility for the benefit of Codemasters Shareholders so as to facilitate the trading of Take-Two Shares from outside the United States of America.

Other

The statements in this paragraph 9 which constitute "post-offer intention statements" for the purposes of Rule 19.6 of the Code, will apply for 12 months from completion of the Acquisition.

No statements in this paragraph 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

Views of the Board of Codemasters

In considering the recommendation of the Acquisition to Codemasters Shareholders, the Board of Codemasters has given due consideration to the confirmations that Take-Two has given in relation to its employees. The Board of Codemasters welcomes the Take-Two's intentions with respect to the future operations of the business and its employees as part of Take-Two, in particular, Take-Two's confirmation of its intention to safeguard fully the existing statutory and contractual employment and pension rights of Codemasters' employees and management and to make no change to the balance of skills and functions of employees across Codemasters.

10. Financing

The Cash Consideration payable by Take-Two under the terms of the Acquisition will be funded by Take-Two's existing cash resources. As of 30 September 2020, Take-Two had cash and cash equivalents of US\$1.3 billion.

Goldman Sachs International, financial adviser to Take-Two, is satisfied that sufficient cash resources are available to Take-Two to enable it to satisfy in full the Cash Consideration payable to Codemasters

Shareholders by Take-Two under the terms of the Acquisition.

11. Codemasters share option agreements

The Acquisition shall extend to any Codemasters Shares which are unconditionally allotted or issued and fully paid pursuant to the exercise of any existing options which are vested and exercisable under the Codemasters Share Option Schemes prior to the Scheme Record Time.

On or after the date of this Announcement, it is expected that the Codemasters Board will grant:

- options under the Codemasters ESOP over a total of 149,581 Codemasters Shares;
- nominal-cost options under the Codemasters LTIP over a total of 91,464 Codemasters Shares; and
- an option to acquire 210,000 Codemasters Shares to Lisa Thomas, with such option not being made under any existing Codemasters Share Option Scheme but being on terms substantially similar to those of the Codemasters NED Plan, save as to exercise price.

It is anticipated that all of such options will vest and be exercisable as a result of the Court having sanctioned the Scheme. The consent of both the Panel and Take-Two has been obtained in relation to these proposed grants.

Following publication of the Scheme Document, participants in the Codemasters Share Option Schemes will be contacted separately regarding the effect of the Acquisition on their rights under the Codemasters Share Option Schemes. In accordance with Rule 15 of the Code, Take-Two will make appropriate proposals to participants in the Codemasters Share Option Schemes in due course and details of these proposals will be set out in the Scheme Document.

12. Acquisition related arrangements

Confidentiality Agreement

Codemasters entered into a confidentiality agreement with Take-Two dated 25 August 2020 (the “**Confidentiality Agreement**”) pursuant to which each of the parties thereto undertakes to keep confidential information relating to the Acquisition and the other party and not to disclose it to third parties (other than to permitted recipients) unless required by law or regulation. These obligations will cease to have effect on completion of the Acquisition. If the Acquisition does not complete, the confidentiality obligations shall remain in force for a period of two years from the date of the Confidentiality Agreement.

The Confidentiality Agreement also includes customary standstill and non-solicitation obligations on Take-Two.

Co-operation Agreement

Pursuant to a co-operation agreement dated 10 November 2020 (the “**Co-operation Agreement**”): (i) Codemasters has agreed to co-operate with Take-Two to ensure the satisfaction of certain regulatory conditions, and Take-Two has entered into commitments in relation to obtaining regulatory clearances; (ii) Take-Two has agreed to provide Codemasters with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document; (iii) Take-Two has agreed to certain provisions if the Scheme should switch to a Takeover Offer; (iv) each of Codemasters and Take-Two have agreed to take any action necessary to implement certain proposals in relation to the Codemasters Share Option Schemes.

The Co-operation Agreement will terminate if the Acquisition is withdrawn or lapses, if prior to the Long Stop Date any Condition becomes incapable of satisfaction, at Take-Two's election if the Codemasters Directors withdraw their recommendation of the Acquisition, at either party's election if the Codemasters Directors recommend a competing proposal, or if the Scheme does not become effective in accordance with its terms by the Long Stop Date or otherwise as agreed between Take-Two and Codemasters.

13. Further terms and conditions of the Acquisition

It is intended that the Acquisition will be effected by means of a Court-approved scheme of arrangement between Codemasters and Codemasters Shareholders under Part 26 of the Companies Act. Take-Two reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Codemasters as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Take-Two so decides (with the consent of the Panel), on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, than those which would apply to the Scheme and subject to the amendment referred to in Appendix I to this Announcement.

The purpose of the Scheme is to provide for Take-Two to become the holder of the entire issued and to be issued share capital of Codemasters.

Under the Scheme, the Codemasters Shares will be transferred to Take-Two in consideration for which the Codemasters Shareholders will receive cash and share consideration on the basis set out in paragraph 2 of this Announcement.

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this Announcement and to be set out in the Scheme Document and shall only become Effective, if, among other things, the following events occur by no later than 11:59 p.m. on the Long Stop Date:

- (i) the approval of the Scheme by a majority in number of the Codemasters Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent 75 per cent. in nominal value of the Codemasters Shares voted by those Codemasters Shareholders;
- (ii) the resolutions required to approve and implement the Scheme being duly passed by Codemasters Shareholders representing the requisite majority or majorities of votes cast at the Codemasters General Meeting (or any adjournment thereof);
- (iii) the approval and sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Codemasters and Take-Two);
- (iv) the delivery of a copy of the Scheme Court Order to the Registrar of Companies; and
- (v) certain antitrust clearances (including, inter alia, antitrust clearances in the United Kingdom, Austria and Germany).

The Scheme and the Acquisition will be conditional upon:

- (i) the Court Meeting and the Codemasters General Meeting being held on or before the 22nd day after the expected date of the Meetings to be set out in the Scheme Document in due course (or such later date as may be agreed between Take-Two and Codemasters);
- (ii) the Court Sanction Hearing being held on or before the 22nd day after the expected date of the Court Sanction Hearing to be set out in the Scheme Document in due course (or such later date as may be agreed between Take-Two and Codemasters); or
- (iii) the Scheme becoming Effective by no later than 11:59 p.m. on the Long Stop Date,

provided, however, that the deadlines for the timing of the Court Meeting, the Codemasters General Meeting and the Court Sanction Hearing as set out above may be waived by Take-Two, and the deadline for the Scheme to become Effective may be extended by agreement between Codemasters and Take-Two (as permitted by the Court).

The Scheme will only become effective once a copy of the Scheme Court Order is delivered to the Registrar of Companies. Upon the Scheme becoming effective, it will be binding on all Codemasters Shareholders, whether or not they attended or voted at the Meetings.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective by 1 February 2021.

The Scheme and the Acquisition will also be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document.

The global COVID-19 pandemic is restricting the ability of Governmental Entities around the world to conduct their normal operations. It is possible that Governmental Entities will not be operating according to their normal schedules during the upcoming period and it may therefore take longer for the Conditions to be satisfied and the Court Meeting or Codemasters General Meeting to be held. Accordingly, any dates in respect of the expected timetable for the Acquisition set out in this Announcement are indicative, subject to change (by agreement between Take-Two and Codemasters and, the Court, where required) and provided by way of guidance only. Take-Two shall keep the Codemasters Shareholders notified of any updates or changes to the expected timetable as additional guidance is released. Further details regarding the expected timetable will be contained in the Scheme Document.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which is expected to be dispatched to Codemasters Shareholders as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (unless agreed otherwise with the Panel).

14. Dividends

If any dividend or other distribution in respect of the Codemasters Shares is declared, paid or made on or after the date of this Announcement, Take-Two reserves the right to reduce the consideration payable for each Codemasters Share under the terms of the Acquisition by the amount per Codemasters Share of such dividend or distribution. If Take-Two exercises this right or makes such a reduction in respect of a dividend or other distribution, Codemasters Shareholders will be entitled to receive and retain that dividend or other distribution. Any exercise by Take-Two of its rights referred to in this paragraph shall be subject to an announcement and, for the avoidance of doubt, shall not constitute a revision or variation of the terms of the Acquisition.

15. Cancellation of admission to trading on AIM and re-registration

Prior to the Scheme becoming Effective, application will be made to the London Stock Exchange for the cancellation of admission of the Codemasters Shares to trading on AIM, to take effect shortly after the Effective Date once the Scheme has become effective in accordance with its terms.

The last day of dealings and for registration of transfers of and disablement of CREST of Codemasters Shares, on AIM is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. on that date following which the Codemasters Shares will be suspended from trading on AIM.

On the Effective Date, Codemasters will become a wholly-owned subsidiary of Take-Two and share certificates in respect of Codemasters Shares will cease to be valid and should be destroyed. In addition, entitlements to Codemasters Shares held within the CREST system will be cancelled on the Effective Date.

Shortly after the Effective Date, and conditional on the cancellation of the admission of the Codemasters Shares to trading on AIM, it is intended that Codemasters will be re-registered as a private limited company.

16. Listing and dealing in New Take-Two Shares

Take-Two's shares listed on the NASDAQ Global Select Market (NASDAQ GS: TTWO). Application will be made to NASDAQ for the New Take-Two Shares to be listed on NASDAQ on completion of the Acquisition. Completion of the Acquisition shall be subject to confirmation having been received by Take-Two that the New Take-Two Shares have been approved for listing, subject to official notice of issuance, on NASDAQ.

17. Overseas Shareholders

The availability of the Acquisition to Codemasters Shareholders who are not resident in the United Kingdom may be affected by the laws and/or regulations of their relevant jurisdiction. Therefore, any persons who are subject to the laws and/or regulations of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable legal or regulatory requirements in their jurisdiction. Further details in relation to overseas shareholders will be set out in the Scheme Document. If you are in any doubt, you should consult your professional adviser in the relevant jurisdiction without delay.

18. Expected timetable

It is intended that the Scheme Document containing further details of the Acquisition will be despatched to each Codemasters Shareholder (other than to persons in a Restricted Jurisdiction) as soon as reasonably practicable and, in any event, not later than 28 days after the date of this Announcement (unless agreed otherwise with the Panel).

19. Opening Position Disclosures and interests

Save in respect of the irrevocable undertakings referred to in paragraph 6 above, as at the close of business on the Latest Practicable Date neither Take-Two, nor its directors, nor, so far as Take-Two is aware, any person acting in concert (within the meaning of the Code) with it had (i) any interest in or right to subscribe for any relevant securities of Codemasters; nor (ii) any short positions in respect of relevant Codemasters Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; nor (iii) borrowed or lent any relevant Codemasters Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code); nor (iv) is a party to any dealing arrangement of the kind referred to in Note 11 of the definition of acting in concert in the Code.

"Interests in securities" for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an "interest" by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, AIM and the Financial Conduct Authority.

Overseas jurisdictions

The release, publication or distribution of this Announcement in, and the availability of the Acquisition to persons who are residents, citizens or nationals of, jurisdictions other than the United Kingdom may be restricted by laws and/or regulations of those jurisdictions. Therefore any persons who are subject to the laws and regulations of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements in their jurisdiction. Any failure to comply with the applicable requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility and liability for the violation of such restrictions by any person.

In particular, the ability of Overseas Shareholders to vote their Codemasters Shares at the Court Meeting and/or the Codemasters General Meeting, or to execute and deliver Forms of Proxy appointing another to vote their Codemasters Shares in respect of the Court Meeting and/or the Codemasters General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located. Copies of this Announcement, the Scheme Document, the accompanying Forms of Proxy and any other formal documentation relating to the Acquisition and the Scheme are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction.

Unless otherwise permitted by applicable law and regulation, the Acquisition may not be made, directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Acquisition may not be capable of acceptance by any such use, means, instrumentality or facilities.

Additional information for US investors

*The Acquisition relates to the shares of an English incorporated company and is proposed to be made by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). Accordingly, the Acquisition will be subject to the disclosure requirements and practices applicable in the United Kingdom and under the Code to schemes of arrangement, which differ from the disclosure requirements and practices of the US proxy solicitation and tender offer rules. Neither the U.S. Securities and*

Exchange Commission (the “SEC”), nor any securities commission of any state of the United States, has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

US Codemasters Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Financial information relating to Codemasters included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US holders of Codemasters Shares to enforce their rights and any claims they may have arising under US federal securities laws in connection with the Acquisition, since Codemasters is organised under the laws of a country other than the United States, and some or all of its officers and directors may be residents of countries other than the United States, and most of the assets of Codemasters are located outside of the United States. US holders of Codemasters Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s jurisdiction or judgment.

The Acquisition may, in the circumstances provided for in this Announcement, instead be carried out by way of a Takeover Offer under the laws of England and Wales. If Take-Two exercises its right to implement the Acquisition by way of a Takeover Offer, such Takeover Offer will be made in compliance with applicable US tender offer and securities laws and regulations, including the exemptions therefrom. Such a Takeover Offer would be made in the United States by Take-Two and no one else. In addition to any such Takeover Offer, in accordance with normal UK practice, Take-Two, certain affiliated companies, or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Codemasters Shares outside of the US, other than pursuant to such Takeover Offer, until the date on which such Takeover Offer would become effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. If such purchases or arrangements to purchase are made they would be made outside the United States in compliance with applicable law, including the Exchange Act.

*The New Take-Two Shares have not been and will not be registered under the US Securities Act of 1933 (the “**Securities Act**”) or under the securities laws of any state or other jurisdiction of the United States and may not offered or sold in the United States absent registration or an available exemption or safe harbour from registration under the Securities Act. To the extent Take-Two effects the acquisition of Codemasters as a scheme of arrangement under the laws of England and Wales, the New Take-Two Shares to be issued in the Acquisition will be issued in reliance on the exemption from the registration requirements of the Securities Act provided by Section 3(a)(10) thereof. Codemasters will advise the Court that its sanction of the scheme of arrangement will be relied upon by Take-Two as an approval of the scheme of arrangement following a hearing on its fairness to Codemasters Shareholders at which hearing all such shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the scheme of arrangement and with respect to which notification has been given to all Codemasters Shareholders. The New Take-Two Shares to be issued to Codemasters Shareholders in the Acquisition pursuant to a scheme of arrangement under the laws of England and Wales generally should not be treated as “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act and persons who receive securities in the Acquisition pursuant to such a scheme of arrangement (other than “affiliates” of Take-Two as described in the paragraph below) may resell them without restriction under the Securities Act.*

Under US federal securities laws, a Codemasters Shareholder who is an “affiliate” of Take-Two within 90 days prior to, or at any time following, the date upon which the Scheme Court Order is filed at Companies House will be subject to certain US transfer restrictions relating to the New Take-Two Shares received in connection with the Acquisition pursuant to a scheme of arrangement under the laws of England and Wales. The New Take-Two Shares held by such affiliates may not be sold without registration under the Securities Act, except pursuant to the applicable resale provisions of Rule 144 under the Securities Act or another available exemption from the registration requirements of the Securities Act, including transactions conducted pursuant to Regulation S under the Securities Act. Whether a person is an “affiliate” of a company for such purposes depends upon the circumstances, but affiliates of a company can include certain officers, directors and significant shareholders. A person who believes that he or she may be an affiliate of Take-Two should consult his, her or its own legal advisers prior to any sale of any New Take-Two Shares.

In the event that Take-Two determines to effect the Acquisition pursuant to a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the Securities Act, it will file a registration statement with the SEC containing a prospectus with respect to the New Take-Two Shares that would be issued in the Acquisition. In this event, Codemasters Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC’s website at www.sec.gov or by directing a request to Take-Two’s contact for enquiries identified above.

Neither the SEC nor any US state securities commission has approved or disapproved of the New Take-Two Shares to be issued in connection with the Acquisition or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of New Take-Two Shares pursuant to the Acquisition by a Codemasters Shareholder may be a taxable transaction for US federal income tax purposes and under applicable state and local, as well as foreign and other, tax laws. Each Codemasters Shareholder is urged to consult his independent professional tax adviser immediately regarding the tax consequences of the Acquisition.

Notes regarding the New Take-Two Shares

The New Take-Two Shares to be issued pursuant to the Acquisition have not been and will not be registered under the relevant securities laws of Japan and the relevant clearances have not been, and will not be, obtained from the securities commission of any province of Canada. No prospectus in relation to the New Take-Two Shares has been, or will be, lodged with, or registered by, the Australian Securities and Investments Commission. Accordingly, the New Take-Two Shares are not being, and may not be, offered, sold, resold, delivered or distributed, directly or indirectly in or into Australia, Canada or Japan or any other jurisdiction if to do so would constitute a violation of relevant laws of, or require registration thereof in, such jurisdiction (except pursuant to an exemption, if available, from any applicable registration requirements or otherwise in compliance with all applicable laws).

Forward-looking statements

This Announcement, including the information included in this Announcement, contains certain forward-looking statements. The forward-looking statements contained herein include statements about Codemasters, the Codemasters Group, Take-Two and the Take-Two Group, the expected effects of the Acquisition on the Codemasters Group, strategic options, the expected timing and scope of the Acquisition, and all other statements in this Announcement other than those containing historical facts may be forward-looking statements. These statements are based on the current expectations and are naturally subject to uncertainty and changes in circumstances. Forward-looking statements often use words such as “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “budget”, “schedule”, “forecast”, “project”, “goal”, “believe”, “hope”, “aims”, “continue”, “will”, “may”, “should”, “would”, “could”, “subject to”, or other words of similar meaning. By their nature, forward-looking statements involve known and unknown risks and uncertainties, because they relate to events and depend on circumstances that will occur in the future. Forward-looking statements may include statements relating to the following: future capital expenditures, expenses, revenues, earnings, synergies, economic

performance, indebtedness, financial condition, dividend policy, losses and future prospects. There are a number of factors that could cause actual results, outcomes and developments to differ materially from those expressed in, or implied by, such forward-looking statements and such statements are therefore qualified in their entirety by the risks and uncertainties surrounding these future expectations. Many of these risks and uncertainties relate to factors that are beyond the entities' ability to control or estimate precisely, such as, but not limited to, general business and market conditions both globally and locally, political, economic and regulatory forces, industry trends and competition, future exchange and interest rates, changes in government and regulation including in relation to health and safety, the environment, labour relations and tax rates and future business combinations or dispositions. For a discussion of important factors which could cause actual results to differ from forward-looking statements in relation to the Codemasters Group, refer to the annual report and accounts for Codemasters Group for the Fiscal Year ending 31 March 2020. The Form 10-K of Take-Two for the Fiscal Year ending 31 March 2020 and the Form 10-Q for the six months ending 30 September 2020 contain additional information regarding forward-looking statements with respect to Take-Two.

Although it is believed that the expectations reflected in such forward-looking statements are reasonable, none of Codemasters, any member of the Codemasters Group, Take-Two, any member of the Take-Two Group, nor any of their respective associates or directors, officers or advisers provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement shall actually occur. Given the risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which by their nature involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved may be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to Codemasters, any member of the Codemasters Group, Take-Two, any member of the Take-Two Group or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Codemasters, each member of the Codemasters Group, Take-Two and each member of the Take-Two Group expressly disclaim any obligation to update or correct such statements or the information contained in this Announcement (whether as a result of new information, future events or otherwise), except as required by applicable law or regulation.

No forward-looking or other statements have been reviewed by the auditors of the Codemasters Group or the Take-Two Group.

Profit forecasts or estimates

The Take-Two Statement is a profit forecast for the purposes of Rule 28 of the Code. The Take-Two Statement, the assumptions and basis of preparation on which the Take-Two Statement is based and the Take-Two Directors' confirmation, as required by Rule 28.1 of the Code, are set out in Appendix IV.

Other than in respect of the Take-Two Statement, no statement in this Announcement is intended as a profit forecast or estimate for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per ordinary share for Codemasters or Take-Two for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Codemasters or Take-Two.

Right to switch to a Takeover Offer

Take-Two reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way

of a Takeover Offer for the entire issued and to be issued ordinary share capital of Codemasters as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Take-Two so decides (with the consent of the Panel), on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, than those which would apply to the Scheme and subject to the amendment referred to in Appendix I to this Announcement.

Dealing disclosure requirements

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror, must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror, and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them under Rules 8.1, 8.2 and 8.4 of the Code.

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found on the Disclosure Table tab of the Panel's website at <https://www.thetakeoverpanel.org.uk> including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. APPENDIX I

CONDITIONS AND FURTHER TERMS OF THE ACQUISITION

Part A: Conditions to the Scheme and the Acquisition

The Acquisition will be subject to the terms and conditions set out in this Appendix I and to be set out in the Scheme Document.

1. The Acquisition will be conditional upon the Scheme becoming unconditional and Effective, subject to the Code, by no later than 11.59 p.m. on the Long Stop Date.
2. The Scheme will be conditional upon:
 - 2.1 its approval by a majority in number representing not less than 75 per cent., in nominal value of the Scheme Shareholders who are on the register of members of Codemasters at the Voting Record Time and who are present and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of any such meeting, provided that the Court Meeting may not be adjourned beyond the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date (if any) as Take-Two and Codemasters may agree and the Court may allow); and
 - 2.2 all resolutions necessary to approve and implement the Scheme being duly passed by the requisite majority or majorities at the Codemasters General Meeting or at any adjournment of that meeting, provided that the Codemasters General Meeting may not be adjourned beyond the 22nd day after the expected date of the Codemasters General Meeting to be set out in the Scheme Document in due course (or such later date (if any) as Take-Two and Codemasters may agree and the Court may allow); and
 - 2.3 the sanction of the Scheme (with or without modification but subject to any such modification being acceptable to Take-Two and Codemasters) by the Court at the Court Sanction Hearing and such Court Sanction Hearing being held on or before the 22nd day after the expected date of the Court Sanction Hearing to be set out in the Scheme Document in due course (or such later date (if any) as Take-Two and Codemasters may agree and the Court may allow); and
 - 2.4 the delivery of a copy of the Scheme Court Order to the Registrar of Companies in England and Wales.
3. In addition, subject as stated in Part B of this Appendix I and to the requirements of the Panel, Take-Two and Codemasters have agreed that the Acquisition will be conditional upon the following conditions and, accordingly, the necessary actions to make the Scheme Effective will not be taken unless the following Conditions (as amended if appropriate) have been satisfied or, where relevant and capable of waiver, waived:

New Take-Two Shares

- 3.1 confirmation having been received by Take-Two that the New Take-Two Shares have been approved for listing, subject to official notice of issuance, on NASDAQ;
- 3.2 in the event that the Acquisition is implemented by way of a Takeover Offer, absent an available exemption from the registration requirements of the Securities Act, Take-Two's registration statement having been declared effective by the SEC and no stop order having been issued or proceedings for suspension of the effectiveness of Take-Two's registration statement having been initiated by the SEC and Take-Two having received all necessary authorisations under U.S. state securities law or applicable U.S. state blue sky laws;

Antitrust clearance

- 3.3 by the time of the Court Sanction Hearing, and following Take-Two having submitted a briefing note to the CMA in relation to the Acquisition, the CMA either:
- (a) having not opened a CMA Merger Investigation in relation to the Acquisition or any matters arising therefrom; or
 - (b) having opened a CMA Merger Investigation, the CMA having indicated in terms satisfactory to Take-Two (acting reasonably) that the CMA does not intend to make a CMA Phase 2 Reference in connection with the Acquisition or any matters arising therefrom; Take-Two shall not be obliged to accept or offer any conditions and/or remedies in order to satisfy this Condition;
- 3.4 insofar as the Acquisition is required to be notified under the German merger control regime, the German Bundeskartellamt not deciding, within one month of the submission of a complete merger notification, to open an in-depth investigation of the Acquisition (Phase II); or, in case such in-depth investigation is opened, the German Bundeskartellamt deciding that the prohibition conditions under the German Act against Restraints of Competition (*Gesetz gegen Wettbewerbsbeschränkungen*, “**GWB**”) are not satisfied and the Acquisition is thus cleared or is deemed to be cleared pursuant to Section 40(2) 2nd sentence GWB, provided that Take-Two shall not be obliged to accept or offer any conditions and/or remedies in order to satisfy this Condition;
- 3.5 the expiry of the applicable review period pursuant to Section 11 of the Austrian Cartel Act (*Kartellgesetz 2005*) without the Official Parties (*Amtsparteien*) having lodged an application for investigation (*Prüfungsantrag*) or, if such application for investigation has been lodged, the obtaining in writing of any final and binding statement or decision by the Austrian Cartel Court (*Kartellgericht*) to the effect that the Acquisition is not subject to Section 17 (*Durchführungsverbot*) of the Austrian Cartel Act (*Kartellgesetz 2005*), provided that Take-Two shall not be obliged to accept or offer any conditions and/or remedies in order to satisfy this Condition;

Notifications, waiting periods and authorisations

Part B: Certain further terms of the Acquisition

- 4. The Scheme will not become Effective unless the Conditions have been fulfilled or (if capable of waiver) waived by 11.59 p.m. on the Long Stop Date.
- 5. Subject to the requirements of the Panel in accordance with the Code, Take-Two reserves the right in its sole discretion to waive, in whole or in part:
 - (a) the deadline set out in Condition 1 and any of the deadlines set out in Condition 2 of Part A relating to the timing of the Court Meeting, the Codemasters General Meeting and the sanctioning of the Scheme. If any of the deadlines for those events are not met, Take-Two shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Codemasters to extend the deadline in relation to the relevant Condition; and
 - (b) any of the Conditions set out in the above Condition 3 of Part A.
- 6. If Take-Two is required by the Panel to make a Takeover Offer for Codemasters Shares under the provisions of Rule 9 of the Code, Take-Two may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
- 7. Take-Two shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or treat as fulfilled any of the Conditions at any time prior to 11:59 p.m. on the Long Stop Date, notwithstanding that the other Conditions (or any of them) may at an earlier date have been waived (if capable of waiver), satisfied or fulfilled and that there are, at such earlier date, no circumstances indicating that any such Condition may not be capable of satisfaction or fulfilment.
- 8. Under Rule 13.5 of the Code, Take-Two may not invoke a Condition so as to cause the Scheme not to proceed, or to lapse, or so as to cause the Acquisition to lapse or be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to Take-Two in the context of the Acquisition. Conditions 1, 2 and 3.3 to 3.3 of Part A (and, if applicable, any acceptance condition adopted on the basis specified in paragraph 9 below in relation to any Takeover Offer) are not subject to this provision of the Code.

9. Take-Two reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Codemasters as an alternative to the Scheme. In such event, such Takeover Offer will be implemented on the same terms or, if Take-Two so decides (with the consent of the Panel), on such other terms being no less favourable, so far as applicable, than those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition including (without limitation and subject to the consent of the Panel) an acceptance condition set at 90 per cent. (or such lesser percentage, being more than 50 per cent., as Take-Two may decide, subject to the Panel's consent). Further, if sufficient acceptances of such Takeover Offer are received, it would be the intention of Take-Two to apply the provisions of section 979 of the Companies Act to acquire compulsorily any outstanding Codemasters Shares to which such Takeover Offer relates.
10. The Acquisition, this Announcement and any rights or liabilities arising hereunder, the Scheme and the Forms of Proxy will be governed by English law and be subject to the exclusive jurisdiction of the English courts and to the Conditions and terms set out in this Announcement and in due course in the Scheme Document. The Acquisition will comply with the applicable rules and regulations of the FCA and the London Stock Exchange, the AIM Rules, the Panel and the Code.
11. The Scheme shall lapse and shall not become Effective if:
- (a) insofar as the Acquisition constitutes, or is deemed to constitute, a concentration with an EU dimension within the scope of the EUMR, the European Commission either initiating proceedings under Article 6(1)(c) of the EUMR or making a referral to the CMA under Article 4(4) or Article 9(1) of the EUMR and there is then a CMA Phase 2 Reference; or
 - (b) insofar as the Acquisition does not constitute, or is not deemed to constitute, a concentration with an EU dimension within the scope of the EUMR, the Acquisition or any matter arising from or relating to it becoming subject to a CMA Phase 2 Reference,
- in each case, before the later of the Court Meeting and the Codemasters General Meeting.
12. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the laws of, or are otherwise resident in, any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements.
13. The Acquisition will not be made, directly or indirectly, in or into, or by use of the mails of, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, internet or e-mail) of interstate or foreign commerce of, or of any facility of a national securities exchange of, any Restricted Jurisdiction and the Acquisition will not be capable of acceptance by any such use, means, instrumentality or facility or from within, any Restricted Jurisdiction.
14. Codemasters Shares which will be acquired pursuant to the Acquisition will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them at the Effective Date, including (without limitation) voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, paid or made or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement and before the Effective Date.
15. Fractions of New Take-Two Shares will not be issued to Codemasters Shareholders. Instead, Codemasters Shareholders who otherwise would have received a fraction of a New Take-Two Share will receive an additional amount in cash, rounded to the nearest cent, based on the amount obtained by multiplying such fraction by the average of the high and low sales prices of Take-Two Shares on NASDAQ on each of the five consecutive trading days ending on the trading day that is two trading days prior to the Effective Date.

16. The New Take-Two Shares to be issued pursuant to the Acquisition have not been and will not be registered under the relevant securities laws of Japan and the relevant clearances have not been, and will not be, obtained from the securities commission of any province of Canada. No prospectus in relation to the New Take-Two Shares has been, or will be, lodged with, or registered by, the Australian Securities and Investments Commission. Accordingly, the New Take-Two Shares are not being, and may not be, offered, sold, resold, delivered or distributed, directly or indirectly in or into Australia, Canada or Japan or any other jurisdiction if to do so would constitute a violation of relevant laws of, or require registration thereof in, such jurisdiction (except pursuant to an exemption, if available, from any applicable registration requirements or otherwise in compliance with all applicable laws).
17. The New Take-Two Shares will be issued credited as fully paid and will rank *pari passu* in all respects with Take-Two Shares in issue at the time that the New Take-Two Shares are issued pursuant to the Acquisition, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling on or after the Effective Date. Application will be made to NASDAQ for the New Take-Two Shares to be listed on NASDAQ on completion of the Acquisition.
18.
