Christening in Salon

A unique location in the heart of Copenhagen

About us

The location of our restaurant, Salon, - in The Black Diamond/The Royal Library - with a view to the waterfront and a sense of the Danish cultural heritage is unique. The setting is perfect for any celebration. To give you an idea of what a christening celebration could look like, we have put together two different set-ups for your inspiration – please have a look. The possibilities are many, and with our focus and quality at heart, we can make it happen.

Our kitchen

Our kitchen is based on quality, tradition and constant development.

We find great value and energy in creating a truly memorable experience that is just right for you.

There are any number of options for perfect servings. We value sustainability and organic foods, and these values are expressed through our use of seasonal local ingredients as well as our official organic silver status (60-90 % organic produce).

We offer beautiful surroundings that combine culture, art and dining experiences.
